

Goal Umpire Observers 2017

- **East Location**
- **Large Competition**
- **Exciting development role.**

Well established Umpiring Club in the Eastern Suburbs is looking to appoint a

Goal umpire's observer

to assist in the development of its Goal umpire division in the Eastern Football League(EFL).

You will possess great communication and organisational skills that sees you with a strong focus for development at a community sporting level.

To be considered for this role you will need to have experience and be able to demonstrate the following:

- Leadership
- Time management
- Team work
- Strong communication skills

All successful applicants will be given training and support to gain an observers accreditation.

This position requires you to observe umpires in match day performances, record their performances & attend a training night each week (in season) to provide match day feedback from the observation.

Please email your confidential CV to enquiries@efl.org.au or telephone **03 9762 5766** for more information.

Applications close: Friday 28th October 2016
