This group brings a wealth of experience and a proven track record of success to the East Burwood Football Club.

Scott played more than 100 games for the Rams. He has coached at all levels in the EFL. He holds a degree in fitness and wellbeing.

What these four guys share apart from a rich history of success is a passion for the East Burwood Football Club. They are fully committed to instilling a winning culture at the club and restoring the club to being a power house of the EFL.

They want to make the Rams a destination club and to develop the next premiership team from the talented group of young players already at the club.

The committee would like to welcome all of these guys and their families back to the club and hope their return will inspire others to get back to the club in 2018 and put the Rams on the path to sustained success.
