Our Mission

The Eastern Football League will effectively promote and facilitate the playing and development of Australian Football for the benefit of all participants, at all levels throughout the East of metropolitan Melbourne.

Our Values

The Eastern Football League maintains a strong belief system that underpins its actions and the way the league is run.

- We believe in the concept of "a fair go"
- We recognise the efforts of those who contribute to the wellbeing of the game at EFL level
- We treat safety as a priority
- We strive to innovate
- We support the big picture and understand that we are one part of a wider football community
- We define our position and defend this when appropriate.

Chairman

On behalf of the Directors of the Eastern Football League, I present the League's Annual Report for the 2017 season.

As a competition, we continue to grow and evolve. As I reflect on my 10th year as Chairman, it is a timely reminder of how far we have come and why we must continue to be bold and adventurous with plans for the future.

This year we had a record 611 teams entered in EFL competitions. Since 2007, football teams have increased 33% from 406 to 541, including 77 new female teams, while netball has grown to 70 teams in just four years, with over 70% of senior clubs now fielding at least one netball team. This growth, particularly the increase in female participation, is changing the face of the League and our clubs in a very positive manner.

South Croydon's historic first-ever Division 1 premiership is perhaps symbolic of the evolution and growth of the competition. In 2007, it lost the Division 2 grand final to Knox in overtime in a game many believe one of the best in memory. Two years later, it earnt promotion with a close victory over Mulgrave, then went on to make the finals in Division 1 for the first time in 2013. From ninth in 2016 with just six wins, the return of favourite son, Matt Jones, from a stint with Melbourne in the AFL, coupled with another year under the tutelage of Leigh Adams, the Dogs produced a season and grand final performance that will go down in local football history. It is just-reward for not only the players, but wonderful people and volunteers with the likes of Steve Quon, Steve Duke, Cathy White, Vince Cali, Brian King and John Dinnell, who have worked tirelessly over the years to build the club while maintaining its strong community roots.

Theirs wasn't the only special story from season 2017.

Donvale's victory in Division 4 caps off a remarkable return from recess just three years ago. While going into recess is never a positive, it allowed the club to realign and re-establish itself for a more sustainable future, highlighted by all three teams making the grand final and the club well-positioned both on and off the field heading into the future.

In our inaugural Deakin University Eastern Region Women's Competition, Bayswater finished off a great season with a hard-earned win over a gallant Waverly Blues, capping off years of hard work in establishing senior women's football at the club, many of them tough years with few wins in the previous VWFL.

These stories and the excitement that winning premierships brings, further endorses the decision by the Board during the season to change the structure of the senior men's football competition from season 2019 onwards, moving to five divisions of 10, 10, eight, eight and eight teams respectively. After a significant consultation period with clubs, it was pleasing to have overwhelming endorsement from clubs for the change, a decision we believe will create an even better competition environment for all clubs in the future.

This is occurring at a time when our clubs are operating in an environment which gives them a greater sense of

optimism and hope than ever before. The introduction of player payment rules (salary cap) in senior football, in association with the Player Points System continues to be well-received by all clubs. We remain confident that it will continue to provide volunteers with a platform from which to run their club in a sustainable manner, the main priority of these initiatives.

We were pleased in May when a youthful senior representative team secured a close win against the Essendon District Football League in the AFL Victoria *WorkSafe Community Championships*, led by Norwood star Leigh Williams with four goals. It gets us back to the first versus second game in 2018 where we will look to avenge 2016's loss to the Geelong Football League. Thanks to all players and coaches for their efforts and contribution and to clubs for their support of this prestigious statewide competition.

The League would particularly like to thank all of our loyal sponsors for their continued support in 2017.

Bendigo Community Banks continues as naming-rights partner and with their investment in the League and our clubs, their support of community sport in Melbourne's east is critical.

We have longstanding relationships with Channel Nine, BJS Insurance, EastLink,

EFL Board from L-R Previous page: Graham Halbish (Chairman); Tim Finemore (Deputy Chairman); Bruce Atkinson. This page: Leon Bailey; Paul Barlow; David Flintoff; Kerry Freer; Paul Payne; Sue McMillan.

Yarra Valley Water, Trojan Tools and 1116SEN, along with a range of other valued partners listed at the front of the Annual Report.

We also welcomed Deakin University as a major partner in 2017, with a focus on the Eastern Region Women's Competition, and look forward to this partnership being a long and fruitful one for us both.

The investment of all our sponsors in our competition allows us to deliver and fund much of the work outlined above and is very much appreciated by the League and our clubs.

Financially, we remain strong. We again recorded a small surplus but as the competition grows and as new competitions evolve, we must ensure they are resourced appropriately and that the high standards of service we have set are maintained in all aspects of our business.

To all the volunteers involved in our clubs, I say a big thank-you for your ongoing contribution. Our clubs and the League are only as strong as the people in them and we are extremely mindful of the time and valued input of the many volunteers in our clubs.

Each year, I invite a couple of club volunteers to the Division 1 grand final luncheon as a token of the League's gratitude. This year it was John and Janine Dinnell from South Croydon FC. The choice was made long before the grand finalists were known but it was terrific to be able to acknowledge them on such a memorable and historic day for their club.

They've been involved at South Croydon FC for over 25 years, with their two boys, Steve and Chris, both long-term servants of the club as players. Steve is a current-day player who played in the grand final victory.

John is a former president of the South Croydon Junior Football Club, who then moved onto the senior club where he has served as a vice president, general committee member, and footy operations manager for most of the last 10-15 years.

Janine, a member of the famous South Croydon 'King' family, has been a constant source of support, being heavily involved in helping organise many club events including Thursday night meals, and generally helping everywhere, given the amount of time they spend at the club.

They are tremendous examples of the very good people involved in our clubs and it was wonderful seeing them enjoy such a great day for their club, in company with the League.

I'd like to thank my fellow Board Members for their excellent contribution during 2017. The League is fortunate to have a passionate and highly-skilled Board of Directors who provide the administration with wise counsel and the competition with a high level of governance and stability.

Many thanks also to the Junior Committee lead by Leon Bailey, who work tirelessly during the junior season liaising with clubs on Sundays and ensuring the standards we have come to expect, are being upheld.

Finally, thank-you to our hard-working EFL staff lead by CEO, Phil Murton. The off-season saw a significant change in personnel at EFL House and while this understandably brings with it some loss in continuity, it also brings with it energy and enthusiasm. The feedback myself and my fellow Board Members receive from clubs regarding their interactions with our staff is a terrific endorsement of the huge amount of quality work all staff put into their roles.

As we say farewell to 2017, we look forward to 2018 with even greater anticipation and optimism for what the future of the EFL holds. Thank-you to all for your contribution to the League.

Chairman

Chief Executive Officer

In reviewing our performance against 2017 operational objectives, this year the Eastern Football League has clearly consolidated the strong position it holds in the game.

The focus of the League's operations continues to be built around the five key pillars of our 2014-2018 Strategic Plan: Clubs, Participation, Partnerships, Operational Excellence and Financial Management.

Participation in EFL competitions is at an all-time high with a record 540 football and 70 netball teams in 2017. A target of 500 football teams was part of our 2014-2018 Strategic Plan and it is pleasing that this has been achieved with one more year of growth to occur. Female participation now accounts for almost 19% of all participation, up from less than 1% in 2013.

With continued growth in netball and female football anticipated, along with increased game development activities at junior level, we are optimistic that strong participation growth can be maintained in the coming years.

Our investment in game development, alongside AFL Victoria, continues to bear fruit. This year we further invested to now have two full-time resources in the region. We recorded growth in Auskick participation for the first time in five years, achieved while at the same time increasing under-8 team numbers by 48%, to 37 in total. It means we have a record number of children aged 6-10 engaged in Aussie rules in the east of Melbourne than ever before, underpinning the future of our junior and senior clubs. Some more targeted programs are being put in place for 2018 to continue this growth. Our challenge is to ensure the experience for the players and their families is a positive one and ensures a lifelong involvement in our game.

This extra development investment will be targeted more closely at club development in 2018, with Football Development Managers Sean Buncle and Matthew Young working closely with clubs to identify ways to improve and, if necessary, using experienced former EFL club presidents and club/league officials as mentors.

In partnership with Eastern Health and AFL Yarra Ranges, we helped organise the

Be The Change Forum, a well-attended night at the Karralyka Centre in June about gender equity in sporting clubs. We heard from Jason Ball (LGBTI advocate), Luke Ablett (ex-Sydney Swans player) and Emma Grant (Collingwood AFLW player) about their respective journeys in football and the work that needs to be done. As the League and our clubs increase the participation of females, this is important work to ensure everyone is embraced in an inclusive and welcoming environment.

With increasing female participation across the League, our Women of the EFL (WEFL) functions continue to be wellsupported and we thank Jo Hart-Parker and her team for their continued efforts.

Clubs are more than ever trying to help develop the young people in their care and we again supported clubs who ran education sessions through Sport & Life Training (SALT). With tragedies unfortunately all too common in clubs, we maintained an investment in our chaplaincy program through Sports Chaplains Australia (SCA), while through the support of EastLink, a practical-based road safety program was again carried out at the METEC Driver Education Centre in Kilsyth for 150 learner drivers.

Our partnership with finals charity partner, the Victoria Police Blue Ribbon Foundation, saw in excess of \$20,000 raised during our senior finals series, bringing to \$192,606, the total that has been raised since 2010.

We continue to support a range of charities and public health issues, including Good Sports, beyondblue, the Victorian Responsible Gambling Foundation's Love The Game initiative and Pink Round for the Breast Cancer Network Australia.

The investment by government and in particular local councils is delivering some wonderful facility improvements. Local councils remain the largest contributor to community football and we continue to build strong relationships with all councils. Terrific new pavilions were opened at East Ringwood, Rowville juniors and South Belgrave while a new facility at Glen Waverley Hawks will be ready in time for season 2018. Additionally, upgrades for lights and other pavilion improvements are in planning for many clubs. Audits have been completed of every facility in the region and a Regional Strategic Facility Plan is now being developed to help build a strategy and framework to guide investment in facilities for the future. Increasing participation in what is a largely land-locked environment has made this piece of work more crucial than ever and will enable us to work cooperatively with state and federal governments, local councils and the AFL to help plan and seek funding opportunities for the future.

Operationally, we continue to search for efficiencies and ways to reduce the workload on volunteers and staff.

In response to legislative changes following the Royal Commission into child abuse, we introduced Blue Q/Everproof as an accreditation system to administer Working with Children Checks, but also to manage coach and trainer accreditation. Year one has seen much greater compliance across all accreditation areas and further gains and efficiencies will be seen in future years.

We shifted umpiring match-day paperwork for senior men's football to an online system, with it to be fully rolled out across all competitions in season 2018. This is an initiative we advocated to Sports TG and the AFL for a number of years and results in significant savings in staff administration time and printing costs, particularly for tasks such as compiling best and fairest votes and match-day paperwork reviews.

Our aim is to have the EFL a largely paperless competition in the very near future.

Our media operations continue to grow, with the Division 1 grand final streaming coverage a highlight. Featuring six cameras, instant replays, full screen graphics and terrific commentary all shot in HD, it was a production worthy of a professional sporting organisation.

We again recorded a moderate surplus in 2017 and have a strong financial position underpinning our operations. Costs to clubs continue to be fixed or increased below CPI where possible. As an example, in the period 2008-2017, fixed costs to clubs have increased by only 9.7%, while CPI has increased by 21.4%. In that same period, umpiring costs to clubs have

increased by 21.9% while league costs to umpires have increased by 29.6%.

Sponsorship was up from 2016 and we welcomed a new major sponsor, Deakin University. I'd like to thank all of our sponsors, led by naming-rights partner Bendigo Community Banks, for their ongoing support of the League.

Some revenue streams were down largely because of seasonal factors. Senior finals gate-takings were 13% below budget due to some inclement weather, an abnormal number of clubs with multiple teams participating on the same day, and clashing with other events such as the Mayweather/McGregor fight and the AFL preliminary final featuring Richmond, all reducing gate entry traffic.

The off-season saw a significant change in personnel at EFL House, saying goodbye to Matthew Bishop, Rod Cordwell, and Aaron Bailey. While disappointing to see him go, it was great validation of our work in developing our people that Aaron was successful in obtaining a senior position within the football industry. I'd also like to acknowledge the retirement of former Junior Manager, Rod Cordwell. Rod served the League with distinction for 16 years and his dedication and passion for the role was evident to all and demonstrated by the respect in which he is held by clubs and his work colleagues alike.

Troy Swainston (Football Operations), Dyson Baker (Junior Football), Daniel Cencic (Media), Matthew Young (Football Development) and Chloe McDonald (part-time administration assistant) all took on new roles, while Sean Buncle was promoted to a Football Development Manager position after a year as a game development coordinator.

These staff, along with Mark Freeman, Ellie Ingwersen and Scott Van Noordennen continue to provide our clubs a high level of service and carry out their roles above and beyond what is expected. In 2011, the League had eight full-time staff, while game development was the sole domain of AFL Victoria. In 2017, we have the equivalent of 9.3 full-time staff, two of which are game development roles. At a time when the League is growing at a significant rate and diversifying our offering of competitions, we are effectively functioning at a lower level of staffing than we did in 2011, testimony to the efficiency, dedication and talents of all staff.

In closing, it remains critical to us that we continue to have strong working relationships with those involved running clubs. We aim to maintain the right degree of empathy for the issues officials managing clubs have while balancing the need to uphold the rules, regulations and standards of the competition.

It is pleasing that, in general, this is achieved and there is a high level of cooperation and collaboration between the League and our clubs. It's the strength of these relationships that continues to make the game, the League and our clubs as strong as possible.

Senior Competition

In 2017, the Eastern Football League provided another terrific season showcasing some great Australian rules football across all four senior men's divisions, the inaugural Deakin University Eastern Region Women's and the veterans. The depth of talent across the League continues to grow allowing the fans to see some highly-skilled contests.

Places for finals positions in the senior Division 4 competition went right down to the wire, with Coldstream taking fourth spot from Kilsyth in the last round of the year after winning only three games in 2016. Whitehorse Pioneers were also big improvers, finishing third on the ladder. Donvale dropped three games in the first seven rounds then went into the finals on an 11-match winning streak. In the grand final, Donvale met Forest Hill in a low scoring defensive battle whereby momentum changed at various stages throughout the decider and the game could have gone either way. Donvale capped off an impressive season winning the grand final by 12 points. Forest Hill and Donvale also contested the reserves grand final with Forest Hill winning comfortably on the day. Proving it is ready for the jump into Division 3 next season, Donvale also played in the under-19s grand final against Surrey Park. Coming into the game, these two teams had played four times for two wins apiece, the grand final was another close game with Donvale winning by eight points.

The race for finals places was hotlycontested in Division 3, with seven teams in the 12-team competition still in the finals race up to the end of Round 18. Heathmont scraped into fifth place on the ladder after Boronia lost to Templestowe in the final minutes of its Round 18 clash. Ringwood finished the season on top in the seniors but suffered two close losses to both Park Orchards and Heathmont to exit the finals. On a great day for football in front of a big crowd at East Burwood Reserve, Park Orchards came away victorious by 15 points in the Division 3 grand final over Heathmont, in a hard-fought game. Park Orchards played Templestowe in the reserves grand final and came away with a 26-point win. Park Orchards continued its dominance in the under-19s claiming a third premiership in a row with an 11-point win over Heathmont.

In Division 2, heavy overnight rain meant that conditions at Tormore Reserve were going to be challenging early. In the under-19s competition, ladder-leader Croydon met Ferntree Gully in the grand final, with an impressive Croydon team winning by 14 points. Croydon capped off a terrific grand final day for its club, also winning the reserves competition with a 34-point win against Lilydale. In the senior competition, late losses to finals contenders meant that the ladder remained open until Round 18. The two best sides in the competition, Knox and Doncaster East, made their way through to the grand final. Knox had only lost one game for the season to Doncaster East after being relegated from Division 1 in 2016. Knox played some inspired football early jumping out to a solid lead. After half-time, Doncaster East fought its way back into the game but a couple of late goals to Knox resulted in a 16-point win in a hard-fought contest.

The Division 1 home and away season and finals series saw some exciting games being played in front of some big crowds. The competition in 2017 proved to be very competitive with upsets a weekly occurrence. Vermont finished the season on top of the ladder losing only one game. South Croydon beat Blackburn in the preliminary final to progress to its first-ever first Division 1 grand final, taking on Vermont. In warm and windy conditions, Vermont took a one-point lead into half-time. South Croydon kicked five goals with the breeze in the third quarter and Vermont could only kick two with it in the fourth quarter. The South Croydon pressure, leg-speed and ball-use enabled it to outlast Vermont and win the game by 18 points in front of its large, loud and loyal supporters to claim an historic win. The reserves game was a one-sided contest with the undefeated Vermont

prevailing over Rowville by 95 points. The under-19s game was played between Vermont and Blackburn, with Vermont capping of an undefeated season by winning the premiership by 25 points.

In the Deakin University Eastern Region Women's Competition in front of a great crowd at the Lilydale Sports Oval, Bayswater beat the Waverley Blues by 11 points to claim the inaugural premiership. The game showcased the development of the players over the season. In the veterans competition played earlier in the day, North Ringwood was too strong for Scoresby winning its third-straight premiership.

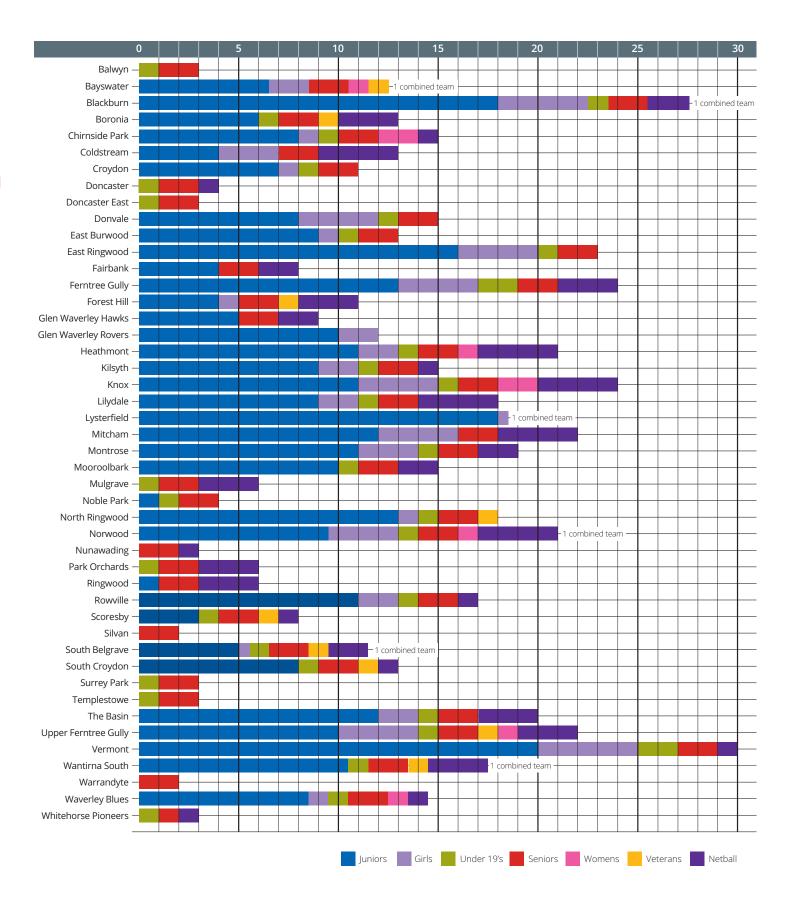

The 2017 interleague program saw the EFL venture down Scoresby Road to Bayswater Oval to take on the Essendon District Football League. Fortunately, we came away with two wins, with the seniors prevailing by two points in a high-scoring nail-biter, while the under-19s won by 27 points, controlling the game from start to finish. Thanks to the leaders of both teams, Brett Moyle and Stuart Hill in the seniors and Wayne Judge and Patrick Wallis in the under-19s. Also, thank-you and congratulations to all of the other players, coaches, trainers and support staff who represented the League. We hope this program builds in the coming years and that the honour of wearing the League jumper continues to be a terrific reward for our players.

Finally, thank-you to everyone involved in our great competition. With so much hard work going into putting teams on the field each week, our clubs are driven by some terrific people. Hope you and your families enjoy the break over the summer months as we look forward to another exciting season of EFL football in 2018.

Junior Competition

2017 saw records broken across the junior competition.

The League recorded its highest-ever team count with 399 boys and girls Eastern Football League teams fielded across 45 divisions.

This included record numbers of girls' teams with female football now accounting for 17% of the total number of junior teams. Non-competitive age groups (under 8-10) saw yet another spike in growth with 123 teams competing in across 10 divisions of under 8, 9 and 10s football, an increase of 10% from 2016 figures.

The League's junior representative program also continues to grow with six sides competing in the AFL Victoria Junior Metropolitan Championships.

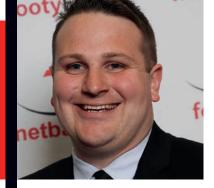

Competing in Division 2, our under-15 girls' sides led by Gary Monopoli (15/1) and Luke Smith (15/2) managed a near-perfect record to ensure the League will compete in Division 1 of the Championships in season 2018.

Hard-fought wins in game one and game three qualified our under-15/1 boys for a grand final berth. Coached by Wayne Judge, our top side acquitted themselves brilliantly throughout the carnival only to be def by a strong Yarra Junior outfit.

Disappointingly, success eluded the under-14/1 side throughout the carnival, however the League took several positives out of the year. The results in 2017 give the League scope to review and implement our strategies in Division 2 with the view to being back in the top flight again in season 2019.

The League appreciates the commitment and endeavour of the entire 2017 coaching panel: Brett Davidson (14/1), Mark Pascoe (14/2), Wayne Judge (15/1), Sean Buncle (15/2), Gary Monopoli (15/1 girls) and Luke Smith (15/2 girls).

79 under-9 and 10 teams competed in the 2017 Bendigo Bank Lightning Premierships held in April and May at Pinks Reserve, Kilsyth. The weather was kind to the 37 under-10 teams in week one, however our under-9 teams weren't so lucky playing through a barrage of rain as the eastern suburbs were soaked.

The Lightning Premiership has become a mainstay on the junior calendar and gives sides in under-9 and 10 their first taste of competitive football, and more importantly, gives both players and their families a chance to bond within their team and club.

Yet another highlight for our budding young stars is the Almost Little Legends Clinic held in the July school holidays at Jubilee Park in Ringwood. More than 800 under 8-10 boys and girls were given the chance to hone their skills, ably assisted by personalities from the Nine Network as well as our junior interleague stars.

Come finals time, 33 of the League's 36 clubs were represented in junior finals, 16 of whom shared the 25 premierships on offer.

Vermont capped off an impressive season claiming the 17 Premier, 15A and 14A titles. Other notable victories included Mitcham's first A-grade flag in more than 40 years, while Coldstream was crowned Premiers in 13D, the club's first premiership in 16 years.

Once again, the League was well served by the 16 host clubs, with everyone prepared to go the extra mile to ensure that the junior finals series was a positive experience for players, officials, umpires and spectators. Karralyka Centre was the venue for Junior Presentation Night, where premiership flags were distributed to successful teams. League best and fairest winners, MVP interleague awards and the best junior umpire trophy were also presented.

Wantirna South claimed the 2017 Gordon Parker Best Conducted Club Award. The Devils fought adversity, mergers and playing away from home in season 2017 to field their highest team total since 2008.

Capital works being undertaken at Templeton Reserve forced the Devils off their home ground for the season, to play all their home games at Wantirna Reserve.

The club also entered a well-organised partnership in under-11s with Waverley Blues, culminating in the 11D premiership. The two clubs opened dialogue early in the pre-season and worked cooperatively during the year to ensure the experience was a pleasant one for all involved.

The club also faced the difficult prospect of grieving as a club with two key members of the club passing away during the season.

Junior Commitee Previous page: Dyson Baker. This page from L-R: Leon Bailey; Bernard Fewster; Phil Hermann, Mark Pascoe and Ian Singleton.

Wantirna South fielded six non-competitive sides in season 2017 and continues to focus on growth with a view to fielding girls' teams in 2018.

Eastern Region Girls

From a two-division competition just 24 months ago, the Deakin University Eastern Region Girls Football League has grown rapidly with 91 teams competing across 11 divisions this season. By team numbers, the Eastern Region Girls competition is the biggest in Victoria.

We welcomed a host of new clubs to girls football for the first time; from the EFL we welcomed Croydon, East Burwood, Forest Hill, Glen Waverley Rovers, Heathmont, Lilydale, Lysterfield, Mooroolbark, North Ringwood, Rowville, South Belgrave and The Basin. We also welcomed new sides from AFL Yarra Ranges clubs including Gembrook-Cockatoo, Monbulk and Upwey all fielding female teams in season 2017.

Blackburn, after commencing its girls football journey in other competitions, fielded girls' sides across all age groups in the Eastern Region Girls this season.

Once again, 2017 was a season of firsts. Fielding two representative sides in the under-15s as part of the AFL Victoria Metro Junior Championships, our first side went through the carnival undefeated qualifying our teams for Division 1 in 2018.

A huge thanks to the coaches, players and parents for their support of the program in 2017, with a special mention to Gary Monopoli who continues to support the League's representative programs.

The Basin, Nunawading, Wandin, Seville and Olinda all played host to Eastern Region Girls finals with nine divisions played out across four weeks.

With consistent growth in boys' competitions as well as the exponential growth in girls football, 2017 has been a logistical challenge, however communication between leagues and clubs around umpires and venues has alleviated a number of these issues.

Congratulations to Brendan McKenna at AFL Yarra Ranges as well as Sean Clarke at the EFL for their tireless work managing the umpires each week.

Ahead of 2018, we will be seeking feedback from clubs as to the state of play in girls' football. This conversation commenced at the pre-finals delegates meeting and was extremely positive. We expect to be contacting clubs in the coming weeks. A huge thank-you to the clubs who have made season 2017 what it is.

Both leagues' junior competitions are represented by a hard-working group of people who continue to ensure the lofty standards are met – thanks to the junior committee of the EFL as well as the junior commission of AFL Yarra Ranges.

The small, yet dedicated group of junior committee members continue to dedicate their weekends during the winter yearin and year-out – to Leon Bailey, Ian Singleton, Mark Pascoe, Phil Hermann and Bernard Fewster, a huge thank-you.

Clubs' dedication to female football is what has made the competition great over the past 24 months and the dedication to seeing it succeed is what will continue to grow girls football in years to come.

Finally, to the players, many of whom took to the field for the first time in Round 1 this season, thank-you! The passion and love for the game is something that needs to be seen to be believed.

UNDER 14 - DIVISION 1

Coach: Brett Davidson MVP: Zachary Cikecken

The under-14-1 side started its first game slow and was outplayed by South Metro in the night game. It rebounded in the second game and controlled the contest against Northern only to go down in the dying seconds. In the final game, our boys were outclassed by an impressive Yarra Junior side.

UNDER 14 - DIVISION 2

Coach: Mark Pascoe MVP: Patrick Marks

Much like the under-14-1 team, the 14-2 side struggled early in the Championships against South Metro, held goalless in its first match-up. Ten individual goalkickers helped the side to a dominant win over Northern in Round 2 before another tough loss at the hands of Yarra Junior.

UNDER 15 - DIVISION 1

Coach: Wayne Judge MVP: Salele Feagaimalii

Commencing the carnival with a tight contest, our under-15-1 side managed to defeat South Metro even after kicking 6.20 for the night. It then recorded a big win vs. Northern and followed up on Monday against Yarra Junior finishing top of its pool.

Yarra Junior FL would get our boys back in the grand final. Whilst our boys weren't successful on the day, their drive throughout the Championships could not be faltered.

UNDER 15 - DIVISION 2

Coach: Sean Buncle MVP: Thomas Gasparroni

Leading for most of the match, the under-15-2 side was unable to get the win in the night game against South Metro, going down by five points. It bounced back to defeat Northern FL in a comfortable win, however, a slow start in the final game against Yarra Junior proved costly and it lost its final game.

UNDER 15 GIRLS - DIVISION 1

Coach: Gary Monopoli MVP: Bridget Deed

Needing to win all three games to hopefully propel the side into Division 1 next season, our 15-1 girls got off to the best possible start defeating Yarra Junior-2 by 96 points. The EFL girls played hard, willing and smart football in Round 2 to register a tight win over Essendon District FL. In the final round, 10 goal-kickers registered 17 goals for the day as the girls kept South Metro-2 scoreless. The three-win run now means our first team in 2018 will compete in Division 1 next season.

UNDER 15 GIRLS - DIVISION 2

Coach: Luke Smith MVP: Samantha Paoli

Kickstarting the carnival in a heartstopper, the under-15-2 girls were able to hold on in a tight tussle to defeat South Metro-2 by two points in the night game. Its next two fixtures proved more difficult with games against the first teams of both Western Region and Essendon District. The girls held their own against Western, going down by 23 points before a heavy defeat at the hands of Essendon in the final round.

UNDER-19s

Coach: Wayne Judge MVP: Hamish McGowan

A dominant display in the opening quarter led by a dynamic midfield performance by Hamish McGowan saw the EFL kick away to a handy 21-point lead at the first change. The trend would continue into the second quarter before a five-goal-to-one third term put the end result beyond doubt, with the EFL in control by 47 points.

Late goals to the EDFL saw it cut the three-quarter-time deficit to 27 points at the final siren.

Eastern Football League14.9 (93)Essendon District Football League10.6 (66)

SENIORS

Coach: Brett Moyle MVP: Leigh Williams

Led by a best on ground performance by Norwood forward Leigh Williams who booted four goals, the senior EFL side raced out of the blocks with a dominant first-half setting up the thrilling two-point win.

A seemingly unassailable 40-point lead early in the third quarter quickly evaporated, as the EDFL began to take full control of the centre clearances and contested ball, cutting the margin to just 19 points at the final change.

In a pulsating final quarter, a last-gasp opportunity on goal for the EDFL went begging, as the EFL held onto its number two ranking.

Media

Australia's premier local football competition deserves a premier media product, and in 2017, the Eastern Football League's media further grew in professionalism as our competition continued to expand.

Volunteers are the lifeblood of grassroots sport – and the media landscape is no different.

Season 2017 saw the EFL Media Team producing up to 10 hours of radio per week, with *The Huddle* on Fridays, EFL Game-Day on Saturdays, followed by EFL Sunday.

EFL Game-Day took yet another step forward, with our match-day broadcasts capturing all angles of the game. From 1pm each Saturday, our dedicated group of volunteers brought listeners an in-depth analysis of all the weekend's action ahead. In each division, we were treated to some memorable finishes and landmark moments of the season, including the EFL's inaugural Good Friday clash, the Anzac commemoration games, the traditional Queen's Birthday match, the beyondblue Cup, and four thrilling grand finals across the divisions.

EFL Media's coverage of the Division 1 grand final was yet another highlight of 2017, with six cameras, on-screen graphics, scorecards, clocks, instant replays and brilliant commentary – such was the professionalism with over 6,500 views. With a following as strong as the EFL's – and a competition as revered – it's imperative that the EFL brand is represented in the best possible light at all times, and for that, the EFL Media Team is to be commended.

The Eastern Footballer was again a staple for a day at the football with the competition's official publication circulated to a collective total of 97,250 copies produced. Along with mainstay columns such as Inside the EFL, one of the key focuses of the record this season was not only on what, but the how and why. With feature articles and content delving deeply into telling the many untold stories of not only the on-field side of the EFL, but the human-interest element that accompanies Australia's game, and what brings us together despite the breadth and diversity of backgrounds of the many followers of the code. From stories of milestones and triumph to adversity and tragedy told, football is a unifying force with a plethora of untold stories, and The Eastern Footballer's strength of content wouldn't be possible without those that contribute and those that share their stories.

The Huddle returned for another season on Friday afternoons on 98.1 Radio Eastern, combining a look at the lighter side of the EFL, along with in-depth news, discussion and analysis. Special guests were a weekly fixture, with names including former AFL umpires' boss Jeff Gieschen, ex-player and AFL coach Terry Wallace, Catarina Politi from STOP! One Punch Can Kill, Nick Olney of the Victorian Responsible Gambling Foundation, along with club players, presidents and officials joining us throughout the year. The Hamburger Hunt was back again, with this year's prize being a Matador Titan 4-Burner BBQ, courtesy of Bunnings Warehouse Bayswater and Matador BBQs. Finallists included Blackburn, Doncaster East, Park Orchards, South Croydon and Templestowe, competing in a cook-off live on the season finale of the show. In a tight race, Park Orchards took out the coveted prize! I'd like to extend my deepest gratitude and thank-you to all competing clubs and volunteers.

On social media, we continue to grow from strength to strength, with over 15,000 Facebook likes, over 5,500 Twitter followers and over 4,000 Instagram followers, while also maintaining a healthy online presence through TeamApp. Division 1 grand final day also saw the launch of the EFL's Snapchat account, which gave online followers a unique, behind-the-scenes look at the raw emotions of players, coaches, officials and supporters. EFL.org.au continues to command heavy traffic, with all the latest news, features, podcasts and videos proving popular each week.

August saw the AFL International Cup hosted across two EFL clubs – Montrose and the Waverley Blues.

The EFL Media Team, in conjunction with USAFL media manager Brian Barrish, called all the action between the USA and Papua New Guinea. With a full line-up featuring two commentators, two special commentators, two boundary riders, running social media commentary along with live video streaming via *EFL.org.au*, the match was a fantastic display of Australian rules football – and a tremendous showcase of EFL Media's professionalism and capabilities, with over 4,200 viewers on the day tuning in from locally and abroad.

Regular video programs such as the *Choose Tap Final Word*, proudly supported by Yarra Valley Water, brought about further interaction between EFL fans and clubs, with videos featuring club personalities, bringing viewers an insightful behind-thescenes and often light-hearted look ahead of the weekend's action.

September saw the 2017 Clinton Grybas Media Award presented to Brett Beston, in just his second year involved with the EFL Media Team.

Whether it was play-by-play commentary, boundary riding, special comments, junior grand finals, around the grounds reporting, or appearing as a panellist on one of our many shows, Brett put his hand up for each and every role, week in, week out. His diligence, reliability, punctuality and quality of work is a testament to the dedication shown throughout 2017 – and a terrific example to others on the team.

We thank those outside of the EFL organisation that continue to cover and promote our competition – Toby Prime (Leader Newspapers), Paul Amy, Paul Hooper (3WBC Football) and Paul Daffey (1116SEN).

Thank you to Darren McKenzie and Bruce Prest of the Loft Productions, Leigh Green, John Higgins and the LKLM Media team, EFL Broadcast Manager Ben Warren-Smith who this year marked 10 years' involvement, Garry Sparke in photography, and media interns Matt Fotia and Tim Fitzsimons who I'm sure will go on to have successful careers.

A further thank you to an ever-growing media team that continues to produce quality content each year: Alana Coleman, Barry Kotze, Brad Henderson, Brad Pulley, Brett Beston, Brett Davidson, Damian Watson, Davis Harrigan, Esmond Aponso, Gavin Casey, Grant Campbell, Gus MacLeod, Josh Dawe, Les Ferguson, Louie Bulzomie, Max Stainkamph, Megan Hustwaite, Peter Baird, Ray Baird, Riley Griffiths, Steve White, Wayne Brasher and Will Taylor.

We also extend our gratitude to the businesses who advertise through our channels – Tobin Brothers Funerals, Vibro, Trojan Tools and everyone else who supports our coverage.

Despite all the hard work undertaken on the media landscape this year, we do not rest on our laurels, nor do we become complacent. As a media team and a brand, we must continue to strive to ensure we remain at the forefront of media coverage for grassroots football – after all, Australia's premier local football competition deserves a premier media product.

Finally, a huge thank-you to all clubs for your time and involvement across our various platforms this season, and I wish you all the very best for the 2018 season.

Umpiring

At the start of the 2016 season, we set about creating more opportunities for umpires to grow from our junior competition to our senior competition. The response from the junior group was amazing. In fact, over the past two seasons we have seen over 100 junior umpires progress from our junior competition into our senior competition. The pathway at the EFL Umpires is a very clear path and open to anyone who wants to progress their umpiring.

The coaching group completed over 600 written observations for our entire umpiring list. This is a fantastic result and supports our message to the group that we are determined to ensure that all umpires receive not only group-based coaching, but individual coaching in the form of a written game-day observation.

The upshot of so many observations is that the club has seen many junior umpires transitioning into Saturday senior football and strong growth in our senior list improving into better grades of football.

Match-day observations will continue to be a strong aspect in our seasons

moving forward as it allows us to continually reinforce the four-pillar philosophy and create opportunities for our umpiring panel to grow. Overall, the performance by our umpires in the 2017 finals campaign was strong. This finals campaign saw a great mix of experienced and young umpires doing their first senior final and they all performed very well.

As we move to be more predictable amongst each other as umpires, this will see the team aspect grow and give us a higher and more consistent level of umpiring in the EFL.

I would like to thank Bruce Onken (senior field coach), Stephen Smith (boundary coach) and Garry Baumgarten (goal coach) for their wonderful contribution and leadership shown throughout the season with their respective groups and the work you all did in creating and then supporting opportunities for umpires to develop. Well done. A big thank-you to Trevor Finch and Charlie May who worked closely as observers with our list in providing match-day feedback and support throughout the season.

To Sean Clarke, well done again to you and your team for creating an

inclusive, supporting and opportunistic environment for your list in season 2017. The success of our club and indeed future umpiring numbers will come from a very clear pathway that is being created through our junior division of our club and greater opportunities being offered as a result.

To Mal Cree, our fitness advisor, and the trainers Bob and Mick, thank-you for your efforts in having our umpires ready on match-day. Thanks also to EFLUA (EFL Umpires Association), its president in Bart Maaskant, the board of the EFL, the CEO in Phil Murton, Operations Manager Troy Swainston and the entire EFL administrative team in Mark Freeman, Ellie Ingwersen, Dyson Baker, Sean Buncle, Daniel Cencic and Matt Young for their support this season.

Finally, a big thank-you to the umpires of the EFL. I thank-you for your efforts and support within the club and look forward to working with you all again in season 2018.

Head of Umpiring

Tribunal

The Eastern Football League continues to set a high standard in regard to fair and reasonable play, resulting in another low number of reports this season.

In 2017, there were 91 reports (72 last season) made by umpires and investigation officers. The increase in reports can be attributed to the increased use of video footage by clubs and a desire by both the League and clubs to ensure the welfare and safety of players. Of these 91 reports, 75 players and officials were found guilty of their offences. There were 56 cases heard at the tribunal with 40 being found guilty by the tribunal. In addition, 35 players accepted the set penalty offered.

Despite the increase, the numbers are still considerably lower than all the

previous seasons barring 2016. Players and officials should be commended for their behaviour. The Eastern Football League continues to set the standard as a fair and highly competitive league.

In season 2017, 21 players were reported after an incident was investigated (six last season), with 17 of the 21 found guilty either at the tribunal or by acceptance of the set penalty offered. Thank-you to our investigation officers who continue to provide a thorough and professional service to the League.

The number of yellow and red cards issued in season 2017 increased slightly, with 553 cards issued compared to 514 in season 2016. The previous three years prior to 2016, the number of cards issued exceeded 600 in each season. Full credit to our fantastic group of umpires who continue to do an outstanding job controlling the games and not tolerating unreasonable incidents on the field.

The number of melees in 2017 decreased to 31 compared with 42 in 2016. The League will continue to take a strong stance against this behaviour into the future and all clubs should continue to educate their players as to the risks associated with being involved in melees.

We are fortunate at the Eastern Football League to have a terrific group of volunteers who sit on our tribunal. Their efforts enable us to continue to promote our league as fair and reasonable which we hope will continue to attract players to our competition into the future.

Netball

Season 2017 was the fourth season for Netball EFL and proved that netball in the east is well and truly alive. The competition grew from 49 teams in 2016 to a massive 70 teams from 31 senior football clubs across eight divisions.

With the competition expanding, the challenge for indoor court space on a Friday night increases. The League used five venues this season including: Knox Regional Netball Centre, Oxley College Stadium, Croydon Leisure Centre, Fairhills High School and St Joseph's College.

Heathmont Black finished on top of the ladder in Division 7 with just two losses for the season, securing itself a double chance in finals and becoming the team to beat. Mulgrave Red put together a solid finals series to come from fourth as challengers in the grand final. However, they just weren't strong enough and Heathmont took home the silverware by nine points.

In Division 6, the top four was hotlycontested between Ferntree Gully White, Heathmont Yellow, Nunawading and Knox White. Ferntree Gully ended the season on top of the ladder with only one loss and a draw, making it the premiership favourite, while Heathmont Yellow progressed its way through to the decider using its second chance. In a nail-biting grand final that went down to the last 20 seconds, Ferntree Gully became premiers by one point!

Division 5 was played out by the two strongest teams all season, Glen Waverley Hawks Blue and Forest Hill Zebras. In another tight clash, as their games had been throughout the season, the game was decided by one point with Glen Waverley taking the title of the 2017 Division 5 premiers.

Park Orchards' first from four premierships across football and netball for 2017 came in Division 4 as the red team were the clear stand outs in the division. Not without a slight hiccup in the semi-final, losing to Boronia Brown by three points, the girls regrouped and won the grand final convincingly by 11 points. New comers to Netball EFL, Kilsyth, capped off a great year finishing top of the table in Division 3 and took home the premiership by 13 points over Knox Black who managed to come from fourth on the ladder to make the grand final. A great game battled out between the red and black Cougars and Falcons.

In a very close Division 2, it was a finals series of upsets with the second-placed Norwood Black and fourth-placed Fairpark Red making the grand final. Norwood started the season slow but finished strong, working its way up the ladder. It managed to edge out Fairpark in the decider by six points to bring home the premiership cup.

In another close battle, Division 1 was decided by a mere four points, as another new team to the League, Lilydale Falcons, took out the premiership over Mitcham Black. Lilydale secured top spot on the ladder after the final round of the season and was able use its fresh legs from a week off to overrun Mitcham in the grand final.

In the Premier Division, the netball never disappoints and this year was no exception. Again, the stronger competitors in Fairpark, Wantirna South and Boronia lead the way at the top with Blackburn rounding out the top four at the end of the season. Fairpark won its way straight through to its third Premier netball EFL grand final, with 2016 grand finallist Wantirna South being knocked out in straight sets by Boronia in the preliminary final. Boronia controlled the game in the grand final and came out deserving winners by 16 points.

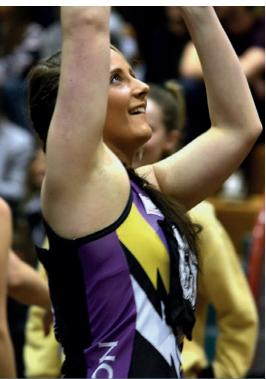

2017 saw the introduction of a netball interleague program, with the best of the east taking on the Northern Netball League on Friday, May 12 at Parade College in Bundoora. Trials were held in March with two squads of 10 being created in the under-19 and senior (open) age groups. Alana Coleman, a playing-coach from Forest Hill netball took on the role of the under-19s coach and did a fantastic job of bringing together a group of young, talented netballers. Unfortunately, they went down 43 to 38, but put on a great curtain-raiser for the senior game.

The senior squad was coached by Shelley O'Donnell, a former Australian Diamonds player, who brought a wealth of knowledge and experience to the program. Just like the 19s, the senior girls didn't quite get the win, going down by a mere four points. It was fantastic to watch the great talent we have in our competition come together and represent our league so well. We were the best competition Northern have had in an interleague match so far, so here's hoping we can come back stronger in 2018 and get a win!

The League's presentation night again recognised the achievements of the netballers with the leading goal shooters, best and fairest for each division, and the inaugural Premier Team of the Year being awarded. Congratulations to Michaela Bailey, Samantha Crowe, Miranda Farago, Erin Anderson, Tarsha Collette, Mandy Simpson, Megan Williams, Leanne Fredricks and Melissa Martinov who were awarded the leading goal shooter awards for their respective divisions and to Illaria Akkers, Olivia Paterson-Dodge, Jay Graham, Tegan Pohl, Britney Purcell, Ashlen Bennett, Brenda Lay, Michelle Duke, Kirralee Luiyf and Stephanie McNay for taking out the respective best and fairest awards.

A big thank-you to Raechel Richards, who again undertook the massive task of Umpire Coordinator in season 2017. With 34 games each week, Raechel ensured the appropriate umpires were allocated to every single game whilst developing and mentoring our umpires to be the best they can be.

A special thank-you to Stephanie Missos, Chantel Collins, Susan Papa, Harry Burgess, Caitlin Yann, Danica Treverton and Hugh Lanbenberg, who all undertook the role of venue manager, ensuring the competition ran smoothly each week. Last but not least, thank-you to the clubs and their players for helping make Netball EFL a great competition which continues to grow from strength to strength. We look forward to coming back bigger and better in 2018!

Season 2017

Donvale becomes the first club to win a premiership in all four divisions, defeating Forest Hill by 12 points to claim the Division 4 flag. Lively forward Nicholas Murphy is named best on ground.

Shortly after, Bayswater caps off a stellar season, defeating the Waverley Blues to claim the inaugural premiership in the Deakin University Eastern Region Women's Competition. Zoe Alston is named best on ground.

Park Orchards overcomes a gallant Heathmont outfit by 15 points to win the club's first senior flag in the EFL, with Michael Fowkes named best on ground. Proceeding the main event, the Sharks' under-19s and reserves also claim respective premierships, completing the hat-trick for Park Orchards.

The two-standout sides of the season battle it out in the Division 2 grand final, with Knox defeating Doncaster East by 16 points at Tormore Reserve to win its first flag in a decade. Marcus Jordan is the hero in the Falcons' historic victory, booting five goals including two crucial majors in the final term, and is adjudged best on ground.

For the second year running, the EFL's night of nights, the Chandler Medal, is hosted at Doncaster's Manningham Function Centre. Fox Footy's Ben Waterworth and the Herald Sun's Lauren Wood – both former EFL Media Managers – MC the evening with a record number of awards presented including senior men's and women's football, along with netball awards, teams of the year and community awards.

The Chandler Medal is awarded to Doncaster's Chris Annakis, while Mulgrave's Sebastian Henderson wins the Wright Medal in Division 2.

Capping off a season in which he topped the Division 3 goal-kicking and is named captain of the SEN Division 3 Team of the Year, Ringwood's Trent Farmer wins the Edie Medal as the best and fairest player in Division 3. Meanwhile, in Division 4, Kilsyth's Sean Currey wins the James Medal.

As the mercury tips 30 degrees at Bayswater Oval, South Croydon plays Vermont in the Division 1 grand final. The grand final luncheon, hosted by Nine News personality Clint Stanaway, sees a turnout of dignitaries including politicians, club presidents and sponsors. Lexie Van Maanen performs a stirring rendition of the Australian national anthem in front of a parochial crowd gathered to witness South Croydon playing off in its first-ever Division 1 grand final.

With many EFL pundits favouring a comfortable Vermont victory off the back of a dominant season which saw it lose just one match – and defeat South Croydon by 76 points a fortnight earlier – the underdogs race out of the blocks early. The Bulldogs lead by 17 points at

quarter time after winning the toss and kicking with the breeze, before Vermont pegs back two majors through McComb and Crocker in the second term to hold a one-point half-time lead.

The premiership quarter sees the Bulldogs build momentum, with late goals to Birch (who was a late inclusion for Max King), McDonald and Tucker giving their side a 25-point advantage at the final change.

A late Vermont charge sees it draw within 12 points off the back of a Joel Perry goal from the centre square at the 18-minutemark of the final term, but the cup was heading to Cheong Park when Leader Young Gun winner Frank Anderson kicked the sealer with 23 minutes played. South Croydon captain Dan King was awarded the Cliff Tomkins-Blue Ribbon Medal for best on ground in his side's 12-point win.

The EFL's partnership with the Victoria Police Blue Ribbon Foundation sees over \$20,000 raised during the senior finals series.

OCTOBER

Eight EFL juniors are put through their paces at the AFL National Draft Combine at Etihad Stadium ahead of the November 24 draft.

Auskick

Auskick continues to be the introductory grassroots program that feeds the next generation of girls and boys into our Eastern Football League clubs. In a testament to the health of junior football participation in the region, in 2017 we had the highest number of Auskick participants since the introduction of under-8s football.

Part of the growth in this area of football may be credited to the 'Target Schools Program' where EFL Development Officers attend schools with poor Auskick and junior participation with the objective to grow the game in these underrepresented areas of the eastern suburbs.

Our 2017 Auskick season launched shortly after the hugely successful AFLW season which did no harm in ensuring we once again had a record number of female Auskick registrations, growing to 397 girls this year - a huge increase from the 272 who participated in 2016.

Off the back of its success last year, the Auskick 7s program grew rapidly in 2017 with the event taking place across six Friday night venues throughout the Auskick season. Auskick 7s gave 26 Auskick centres the chance to experience modified matches in their local junior club colours. This concept familiarises Auskick participants with their local junior team and helps ensure an easy transition into junior football.

Coaching

Over 400 new coaches joined the region completing Level 1 accreditations in the four categories of senior, youth, junior and Auskick.

The Eastern Region Coaches Association (ERCA) coaching seminars were very successful. The highlight was the Hawthorn Coaching Masterclass featuring an array of Hawthorn assistant coaches including Brett Ratten, Patrick Hill and Adam Yze. Once again, the Eastern Ranges Heritage Night offered junior coaches in our competition the opportunity to receive coach education from our elite talent program, the Eastern Ranges.

The Eastern Region Coaches Association Coach of the Year awards were held at Yarra Glen Racecourse in October, with St Kilda champion and media personality Nathan Burke attending as our guest speaker. This event enabled us to recognise outstanding coaches from our league with Chris Goldstraw (Young Gun Award) and Stephen George (Junior Coach of the Year) the notable EFL winners. Senior coach Leigh Adams from South Croydon Football Club was awarded Coach of the Year in just his second season after his side landed its maiden Division 1 EFL premiership.

Player Appearances

The Eastern Football League and Hawthorn Football Club continue to enjoy a strong partnership, with player appearances a fantastic promotion of the game in our region. Schools, clubs and Auskick centres benefit from a variety of different appearances including clinics, training sessions, leadership seminars and health and nutrition talks.

Hawthorn's super clinic was held at the club's Waverley headquarters where Auskick participants had the chance to attend and over 450 children participated in the clinic during the April school holidays.

The Hawthorn Secondary Schools Program continues to grow with 180 students from eight secondary schools touring the Hawthorn Football Club and undertaking sessions on leadership, social responsibility, mental health, and nutrition.

Game Development

In 2017, the Hawthorn player appearances reached more primary school students than ever before, where we visited 59 schools right throughout the east allowing 2500 students the opportunity to spend time with an AFL footballer and receive valuable health and nutrition messages.

School Programs

We have enjoyed strong partnerships that continue to develop with primary and secondary schools in the region throughout 2017. Schools engaged in a variety of football programs including promotional clinics, player appearances, AFL 9s tournaments and educational health and nutrition seminars.

180 teachers across the eastern suburbs signed on as AFL school ambassadors for 2017. The ambassadors promote the game to students throughout our region in their respective primary and secondary schools.

The second annual AFL Victoria Primary School Challenge was one of the highlights of our Schools Program for 2017. The Primary Schools Challenge is an AFL 9s tournament for year 5 and 6 students. We held five regional gala days before our best male and female teams were selected to represent the east at the state finals in September. 42 primary schools were represented in the gala days with Mont Albert and Park Orchards progressing through to the state finals. The program included an AFL 9s introductory clinic run by the Game Development Officers for each school competing. We look forward to continued growth with this exciting program again next year.

The Target Schools Program commenced this year as we aim to target areas which are underrepresented for participating in football. We partner with local clubs and Auskick centres to drive participation outcomes. Rowville Junior Football Club embraced the program in 2017 and was able to benefit from this template, where Rowville sent along a club volunteer to EFL coordinated school clinics with the hope of bringing in new players. The Rowville under-12 girls side was a direct result of the benefits achieved from the Target Schools Program.

Trainers

For the EFL Trainers Association (EFLTA), 2017 has been a year of consolidation after we lost one of our finest - our hardworking and extremely passionate president, Graeme Cocking, in late 2016.

Graeme left huge shoes to fill and to the current EFLTA committee I would like to thank-you for your commitment and support throughout the 2107 season. Our committee is made up of 11 members with most being active sports trainers at clubs and often holding down other roles as well, truly dedicated to their clubs and sports training. It is also pleasing that we have a healthy gender mix which is in line with the growth of women's and girls' football in the EFL.

We ran sports first aid, Level 1 Sports Trainers and Reaccreditation courses early in the year with over 300 trainers attending. Due to the girls and women's football there was an increase in our numbers.

We had around 160 members which is about approximately 25% of members

from the total pool of trainers, so our focus A big thank-you to Phil Murton and in 2018 will be to grow our membership base. It was great to see most trainers in uniform and that everyone appeared to be working well on the field.

Congratulations to Wayne Fielding (Rowville) awarded the Senior Club Warehouse Trainer Of the Year and to Mikey Rudolph (East Ringwood) who was awarded the Junior Graeme Cocking/Club Warehouse Trainer Of the Year.

Thank-you to the trainers who assisted with first aid at the Almost Little Legends clinic and the Division 1 grand final. Thank-you to the trainers who represented the EFL during the interleague game in May -Tanya Cruickshank (EFLTA), Neill Carboon (Croydon) Ben Carubia (Balwyn), Erica McMenamin (Lilydale), Frank Compasso (Ferntree Gully), Hannah Carboon (Croydon) and Peter Axton (Wantirna South).

Thank-you to Sports Medicine Australia, Club Warehouse, Elastoplast and Lifecare for their support.

his team at the EFL for your continued support this year. Phil has always made time for our association and we really appreciate your efforts.

The EFLTA committee deserves the acknowledgement for their hard work this year. The challenge going forward is to continue to grow in areas such as BlueQ compliance, paperless communication and use of social media to promote our association.

I would like to finish with a point that makes me proud of the EFLTA: SMA presenters who facilitate Level 1 Sports Trainers' courses across the state say other football leagues aspire to our level of professionalism in sports training. This is truly a legacy of Graeme's and the EFLTA should strive to continue to have the best sports trainers in Victoria.

I wish you all a safe and happy Christmas and new year and look forward to seeing you in 2018.

Neill Carboon President

Women of the EFL

2017 saw yet another influx of women becoming involved in Australian rules football, with the advent of AFLW. The introduction of this competition saw the numbers of girls and women's football teams 'explode' at local level, and it was fantastic to see it embraced by many of the clubs in the EFL. The Women of the EFL dinners welcomed many new faces this year as a result.

At our first dinner we were fortunate to have a terrific list of speakers and guest MC. We met the fabulous Jenny Sinclair, a forerunner in football administration in the Northern Territory. She was the first female to manage a league and was a member of the Northern Territory Football League and a board member Northern Territory Football Development Foundation. She enlightened us on the challenges faced, and the joy of the successes, which came from managing the indigenous teams and competitions up in the Territory. We loved Jenny's long list of 'favourite' NT AFL players that have made the journey south - all of which she had a story to tell.

Rozalee Erceg was our MC for the night and currently the Head of Development, Brand and Communications at Breast Cancer Network Australia. We loved the fact that Rozalee came from New Zealand and embraced our local game of Australian rules, and go onto to become involved with AFL club Essendon. She also expanded on her current role with BCNA and the efforts to raise funds and awareness to the broader community.

Board member Kerry Freer introduced us to Shane O'Sullivan, probably more known as a football administrator for Footscray, Brisbane and Carlton, not his association with netball. Shane is on the board of Netball Victoria and gave the group some great insight into the netball mystic, enlightening us on many issues currently facing netball teams, including club memberships, club venues, and players; issues that those in football take for granted.

We were also introduced to Meagan Densley from Sports Community - a group that assists 'grassroots' sports clubs, by providing information and training to help clubs achieve their objectives. She gave the group a summary of the vast resources readily available to us all, and how easy it is

to access from the comfort of our own homes!

To cap off a big year, we were introduced to two members of the Outer Sanctum podcast, Felicity Race and Dr Kate Saeer, both passionate about football. They along with another four girlfriends, enlighten listeners to 'everything' football, both on and off the field. Felicity and Kate shared some great stories on the characters they have met and the situations they have found themselves in - all for the love of Australian rules. We would also like to thank Dyson Baker who took time off from his new role to be our MC for the night.

So another eventful season draws to a close and our thanks to Croydon and Warrandyte, their committees and caterers for two great function venues this year; the team at William Angliss, our committee, Gail Hewitt, Prue Green, Robyn Lawson, Chris Dowling, Lauren Wood, and Kerry Buckley, and Ellie Ingwersen for her help from behind the EFL desk and all our guest speakers. And finally to Phil Murton and the EFL for their ongoing support of the WEFL.

Jo Hart-Parker

FOR THE YEAR ENDED 31 OCTOBER 2017

1. Summary of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Reform Act 2012 (Vic), for use by the members of the league and to fulfil the board's requirements to prepare financial statements. The Association is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

The financial report has been prepared in accordance with the requirements of the Associations Incorporation Reform Act 2013 (Vic) and the following Accounting Standards:

AASB 101	Presentation of Financial Statements
AASB 107	Statement of Cash Flows
AASB 108 Changes in A Estimates and	
AASB 110	Events after the Reporting Period
AASB 116	Property, Plant and Equipment
AASB 117	Leases

AASB 118 Revenue

No other applicable Accounting Standards, Australian Accounting Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

a) PROPERTY, PLANT & EQUIPMENT

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment loss.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the association and the cost of the item can be measured reliably.

All other repairs and maintenance are charged to the income statement during the financial period in which they are incurred.

The directors have assessed the current market value of the league's land and buildings as at least \$725,000, based on the most recent Knox City Council valuation.

b) DEPRECIATION

The depreciable amount of all fixed assets is depreciated on a straight line basis over their useful lives commencing from time the asset is held ready for use.

The depreciation rates used for each class of assets are as follows:

Freehold Improvements	9% to 33%
Furniture and Equipment	20%
Computers	20%
Motor Vehicles	20%

c) LEASES

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the association are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amount equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight-line basis over their estimated useful lives where it is likely that the association will obtain ownership of the asset or ownership over the term of the lease.

1. Summary of Significant Accounting Policies

d) REVENUE RECOGNITION

Sales Revenue

Sales Revenue represents revenue earned (net of returns, discounts and allowances) from the sale of products and services. Sales revenue is recorded when the goods are dispatched.

Interest Income

Interest Income is recognised as it accrues.

Asset Sales

The profit or loss on disposal of assets is included as revenue of the association. Such profit or loss on disposal of assets is brought to account at the date an unconditional contract of sale is signed.

e) INCOME TAX

The league has been granted an income tax exemption by the Australian Tax Office.

f) INVENTORIES

Inventories are measured at the lower of cost and net realisable value. The cost is based on the first in, first out principle and includes expenditure incurred in acquiring the inventories and bringing them to their existing condition and location.

Net realisable value is determined on the basis of the company's normal selling pattern. Expenses of marketing, selling and distribution to customers are estimated and are deducted to establish net realisable value.

g) EMPLOYEE BENEFITS

Provision is made for the association's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

h) GOODS AND SERVICES TAX

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

i) IMPAIRMENT OF ASSETS

At each reporting date, the association reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

Where it is not possible to estimate the recoverable amount of an individual asset, the group estimates the recoverable amount of the cash-generating unit to which the asset belongs.

j) COMPARATIVE AMOUNTS

Where required by Accounting Standards comparative figures have been adjusted to conform with changes in presentation for the current financial year.

New Accounting Standards

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 January 2017 and have not been applied in preparing these financial statements. None of these is expected to have a significant effect on the financial statements of the League.

Independant Audit Report

To the Members of Eastern Football League Inc.

Opinion

We have audited the accompanying financial report, being a special purpose financial report, of Eastern Football League Inc. which comprises the statement of financial position as at 31 October 2017, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information and the statement by the members of the committee.

In our opinion the financial report gives a true and fair view of the financial position of Eastern Football League Inc. as at 31 October 2017 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements and the Associations Incorporation Reform Act 2012 (VIC).

Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist Eastern Football League Inc. to meet the requirements of the Associations Incorporation Reform Act 2012 (VIC). As a result, the financial report may not be suitable for another purpose.

In conducting our audit, we have complied with the independence requirements of the Australian professional ethical pronouncements.

Committee's Responsibility for the Financial Report

The Committee is responsible for the preparation and fair presentation of the financial report and have determined that the accounting policies described in Note 1 to the financial statements which form part of the financial report are appropriate to meet the financial reporting requirements of the Associations Incorporation Reform Act 2012 (VIC) and are appropriate to meet the needs of the members. The Committee is also responsible for such internal control as the Committee and management determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing

Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
