OUR MISSION

THE EASTERN FOOTBALL LEAGUE WILL EFFECTIVELY PROMOTE AND FACILITATE THE PLAYING AND DEVELOPMENT OF AUSTRALIAN FOOTBALL FOR THE BENEFIT OF ALL PARTICIPANTS, AT ALL LEVELS THROUGHOUT THE EAST OF METROPOLITAN MELBOURNE.

OUR VALUES

THE EASTERN FOOTBALL LEAGUE MAINTAINS A STRONG BELIEF SYSTEM THAT UNDERPINS ITS ACTIONS AND THE WAY THE LEAGUE IS RUN.

- We believe in the concept of "a fair go"
- We recognise the efforts of those who contribute to the wellbeing of the game at EFL level
- We treat safety as a priority
- We strive to innovate
- We support the big picture and understand that we are one part of a wider football community
- We define our position and defend this when appropriate.

CHAIRMAN

WELCOME TO THE 2018 EASTERN FOOTBALL
LEAGUE ANNUAL REPORT. ON BEHALF OF MY
FELLOW BOARD MEMBERS, WE THANK YOU FOR
THE INTEREST AND INVESTMENT YOU MAKE IN
OUR FOOTBALL AND NETBALL COMPETITIONS.

2018 was again another strong year for the League. As we complete the final year of the current five-year strategic planning period, we look back with a sense of satisfaction with what has been achieved, and now forward, to a future with fresh optimism and continued opportunity.

The strong growth in our competition continued this season, in particular that of female participation. For the large crowds who attended the Deakin University Eastern Region Women's grand final day at the Lilydale Sports Oval, or other girls' grand finals, they would have witnessed in no uncertain terms that women's and girls' footy is here to stay and will only continue to grow and become a vitally-important part of clubs and the League.

This is seen also in our netball competition, with nearly 80 per cent of senior clubs now entering teams and where lack of suitable venues remains our biggest challenge to continued growth.

Seeing our clubs become more broadly reflective of their local communities and engaging with a whole new audience has been a highlight of the current planning period.

The investment in game development from both the EFL and AFL Victoria continues to deliver strong results, with Target Schools programs, Auskick 7s and Auskick 2.0 leading to record numbers in non-competitive age groups, underpinning the future of our clubs. With club development to be even more of a focus in 2019, we look forward to working even more closely with clubs to find ways to help and assist them to grow and prosper and in developing systems and processes to make this more sustainable into the future.

Congratulations to coach Steve Cochrane and all the players who participated in the 2018 WorkSafe AFL Victoria Community Championships, which saw us defeat the Geelong Football League to take the mantle as the number-one ranked league in Victoria. While special mention to Norwood champion Leigh Williams who kicked seven goals and to Vermont ruckman Liam Buxton for a dominant performance in the ruck, a big thank-you must go to all players and officials for their commitment and endeavours.

We congratulate our AFL partner Hawthorn on its success during 2018 with the Box Hill Hawks winning the VFL premiership and Hawthorn's women's

team winning the VFLW competition. With a strong pipeline of female talent coming through the region, we hope this will help Hawthorn achieve an AFLW license sooner rather than later.

EFL Chief Executive Officer Phil Murton and I met with Hawthorn president Jeff Kennett and CEO Justin Reeves during the season and we remain confident of their genuine desire to build a long-term partnership that has mutual benefit. With the Hawthorn Football Club's impending move to Dingley, engaging with organisations like us will be critical for it to maintain a strong presence in its eastern region heartland.

Umpiring is an important component of the League and an area in which we have invested heavily. We congratulate the EFL Umpires' Association on its 50-year celebrations in the knowledge that outgoing president Bart Maaskant, along with committee members Dean O'Neil and Paul Dennis have worked tirelessly to ensure the relationship between the League and association is the best it can be to continue jointly, to grow and develop umpiring.

The League would particularly like to thank all of its loyal sponsors for their continued support in 2018.

Bendigo 'Community' Banks continued as namingrights partner and with its investment in the League and our clubs, its support of community sport in Melbourne's east is critical.

We have highly-valued, long-standing relationships with Channel Nine, BJS Insurance, Deakin University, Yarra Valley Water, Trojan Tools and 1116 SEN, along with a range of other valued partners listed at the front of the Annual Report.

We welcomed carsales as a major partner in 2018, with a focus on supporting umpiring and helping fund the new, terrific-looking umpire uniforms. We are also delighted to welcome Eastland, the east's premier shopping and entertainment destination, and look forward to these partnerships being long and fruitful ones.

Financially, we remain strong. We again recorded a small surplus and continue to tread the balance between keeping costs to clubs as low as possible, while providing the level of service that is both expected by clubs and ensures as an organisation we continue to grow and evolve.

Our donation from grand final entry fees of over \$20,000 to finals partner, the Police Blue Ribbon Foundation, brings the total which has been donated by the EFL community over the last nine years to over \$200,000. It has been confirmed that this money will go towards the installation of a piece of life-saving equipment at Box Hill Hospital, the presence of which makes the hospital closer to

Above from L-R, EFL Board: Tim Finemore (Deputy Chairman), Bruce Atkinson, Leon Bailey, Paul Barlow, David Flintoff, Kerry Freer, Paul Payne and Sue McMillan. Below: Graham Halbish (Chairman).

becoming a tertiary-graded hospital and the benefits that flow with that, a significant legacy of which we can all be proud.

The League and clubs continue to recognise the role off-field we play in the development of those entrusted in our care. We have continued to allocate significant resources in helping build awareness through partnerships and activations with Good Sports, Sports Chaplains Australia, Sport & Life Training (SALT), Love the Game - Not the Odds and Fight MND.

We enter 2019 with the impending competition restructure in our senior men's competition and with senior women's footy likely to increase to four divisions. It has been pleasing to hear from clubs the excitement this change has brought, further validating the decision by the Board to implement the restructuring plan.

I'd like to thank the Junior Committee led by Leon Bailey, who do a terrific job during the junior season liaising with clubs on Sundays and upholding the high standards of our junior competition.

The League continues to be well-served by a talented and passionate group of Board members who again made a significant contribution during 2018. They help provide the administration with wise counsel and ensure the competition is conducted with a high level of professionalism, good governance and stability.

Thank you to our hard-working EFL staff led by departing CEO Phil Murton. As an organisation, we continually aim to evolve and innovate and 2018 again saw the administration work hard to build efficiencies for both clubs and the League. Despite our growth, the League has continued to operate with the same level of staffing as we had some 10 years ago. While a testament to the talent, work-ethic and passion of all staff, the demands of the rapidly-expanding overall League competition warrants additional support. The feedback myself and my fellow Board members receive from clubs regarding their interactions with our staff is most gratifying and a strong indicator of the cooperative spirit which prevails throughout our League.

In closing, a sincere thank-you to all the hard-working committee persons and volunteers at all EFL clubs. You are the backbone of our

competition and make a huge contribution to the cohesion and well-being of local communities in the east. Your efforts are greatly appreciated. See you in 2019.

GRAHAM HALBISH Chairman

CHIEF EXECUTIVE OFFICER

2018 WAS ANOTHER HIGHLY-SUCCESSFUL YEAR
FOR THE EASTERN FOOTBALL LEAGUE ON
ANY MEASURE FROM THE FIVE KEY PILLARS
OF OUR 2014-2018 STRATEGIC PLAN: CLUBS,
PARTICIPATION, PARTNERSHIPS, OPERATIONAL
EXCELLENCE AND FINANCIAL MANAGEMENT.

With continued growth, particularly in the areas of non-competitive age junior boys, junior girls, senior women's and netball, participation again reached a new record-high of 648 football/netball teams with in excess of 15,500 registered participants. This represents growth of 40 per cent in team numbers during this strategic planning period.

Of most pleasing, is that from less than one per cent in 2013, female participation now equates for almost 20 per cent of all participation in EFL competitions. It is changing the face and culture of clubs both on and off the field.

One of my highlights of the year was the Boronia senior women's team's first win. Despite a very difficult year results-wise, it continued to build numbers every week culminating in its first win late in the season that was met with a guard of honour from the veterans' team, who then joined in for a boisterous rendition of the club song. It was a terrific moment for their club.

With the addition of Croydon North-Mount Lilydale Old Collegians into our senior competition, along with anticipated continued growth in other competitions, the number of people engaged in our competition and clubs will continue to grow.

As our competition continues to grow, so must the facilities available for clubs to play on and for programs like finals and interleague to be trained and played at. Being written at present is a Melbourne East Regional Australian Rules Facility Strategy. Historically, the east has been underrepresented with significant investment in football facilities. We don't have many legacy VFL or VFA venues in the heart of our region like most other leagues. Often, significant investment coincides with investment in elite facilities, but with Hawthorn moving out of the area to Dingley, we need to ensure we don't miss out again.

Pleasingly, the AFL and AFL Victoria are increasing their investment in local footy facilities with over \$400,000 in contributions recently announced, including projects at Kilsyth, Blackburn and Mitcham. Local councils continue to be the single biggest investor in sporting facilities and where we can work cooperatively together with councils, government and AFL Victoria, significant gains will continue to be made.

The EFL has always prided itself on being innovative. This year, we introduced online match-day paperwork for the whole competition, adopted last-possession boundary rules in juniors and women's footy, removed percentage as a tie-breaker for ladders in juniors, and adjusted some administrative procedures which, when all combined, led to a time-saving of some 15,000-plus hours of volunteer labour and in excess of 50 working days of staff admin time. We are currently talking to Sports TG and the AFL about other technological efficiencies for game-day procedures to save time and make life easier for club volunteers.

We made a small financial surplus while again capping fixed costs to clubs. We have used the League's commercial operations and surplusses to allow these costs to increase by less than half of CPI over the last 10 years. While over a long period of time, the League has built up solid cash reserves, it is important we are prudent with how we use them. It gives the League independence and allows us to assist clubs who are going through challenging times. While a significant amount of money, the money in excess of what is required to ensure normal cash flow operations represents just around five per cent of annual clubs' turnover, so using it for the long-term benefit of clubs and the League is important.

We are in the process of establishing an EFL Investment Fund, which will protect a core amount of cash reserves to ensure the future financial stability of the League, while also allowing clubs to access excess money generated through the investment of the core fund, to assist with club investment in infrastructure developments. We see this as a legacy project that will protect the prudent work of clubs and the League over many years to build these reserves, while assisting all clubs for years to come.

Our gross margin on sales was slightly down to due the purchase of our new umpires' uniforms which resulted in more stock being held than what we would normally aim for. This was a planned decision to take advantage of bulk purchasing discounts with the introduction of the new uniforms, sponsored by carsales.

Pleasingly, fines from clubs were down over 20 per cent, best reflected in record-low numbers of tribunal reports, ensuring the playing environment is the safest it has ever been.

League commercial revenues continue to allow us to invest in areas to assist individuals, clubs and their associated communities. Over the last three years, we have subsidised/invested over \$250,000 into netball, road safety programs for 16 and 17-year-olds, club drug and alcohol and other education seminars delivered by SALT, sports chaplains placement in clubs and services to help with tragedies, and participation in interleague programs, which now includes two girls' teams and netball, and continues to be free for all participants (the only league who does this).

Across all juniors, senior men's, senior women's and veterans' finals, some 24 clubs hosted finals this year. Volunteers in clubs put in a huge amount of time and effort, raising important funds for clubs to help keep costs for club members as low as possible and to help invest money into club projects. Our estimates show that for every \$1 profit the EFL makes from finals, about \$2.50 profit is made by clubs. Managing these events within the competition to the benefit of our clubs is an important element of our business model.

The League continues to be served by a talented and high-performing staff.

During this season, we farewelled Ellie Ingwersen from her role as Netball, Events and Administration Manager, but pleasingly welcomed Petra Keogh, who brings with her a wealth of experience in netball and events and in a short time has proven to be a very valuable addition to the League. Ellen Dow joined the Eastern Region AFL Victoria Game Development

team based at EFL House (replacing Matthew Young), Jessie Mulholland joined as the region's Female Talent and Competitions Coordinator, working across the EFL, AFL Yarra Ranges and Eastern Ranges (TAC Cup Girls), while Joshua Hudson worked in a part-time commercial and administration assistant role.

Troy Swainston, Dyson Baker, Daniel Cencic, Sean Buncle, Mark Freeman and Scott Van Noordennen continue to provide our clubs with a high level of service and carry out their roles in a dedicated and professional manner.

The EFL Board, Junior Committee and EFL Umpires' Association all continue to make significant contributions to the smooth-running of the League.

Finally, thank you to all the wonderful volunteers across the EFL. In my 12 years with the League, I have truly been amazed by the passion and work that goes into managing these wonderful community institutions.

It has been an honour and privilege to work for the EFL for the past 12 seasons. Best of luck to everyone for season 2019 and beyond.

PHIL MURTON Chief Executive Officer

SENIOR COMPETITION

IN 2018, THE EASTERN FOOTBALL LEAGUE PROVIDED ANOTHER TERRIFIC SEASON OF AUSTRALIAN RULES FOOTBALL ACROSS OUR FOUR SENIOR MEN'S DIVISIONS, TWO DIVISIONS OF DEAKIN UNI EASTERN REGION WOMEN'S AND THE BJS VETERANS. THE TALENT AND STANDARD OF FOOTBALL IN OUR LEAGUE CONTINUES TO IMPROVE YEAR ON YEAR.

The finalists in the Division 4 competition were decided well before season's end but the ladder finishing order went down to the wire. Glen Waverley Hawks lost their first two games then won a club-record 16 games in a row to finish on top of the ladder. Whitehorse won the first final to progress directly to the grand final and Glen Waverley beat East Burwood in the preliminary final to set up a rematch with Whitehorse. On a perfect day for football, it was a low scoring game with Whitehorse 17 points down at half time, yet to kick a major. Six second-half goals, four in the last quarter, saw the Pioneers win the game by 16 points. East Burwood and reigning premier Forest Hill contested the reserves grand final with East Burwood winning by nine points. Surrey Park progressed directly into the under-19s grand final with a seven-point win over Whitehorse/South Croydon. In the grand final, Whitehorse/South Croydon reversed the earlier loss to record a 24-point win.

The race for finals places was hotly-contested in Division 3, with six teams in the 12-team competition still in the finals race up to the end of Round 18. Ringwood finished the season undefeated on top of the ladder in the seniors and won through to the grand final with a 27-point win over Scoresby. Boronia came from third on the ladder to make the grand final and took on an undefeated Ringwood in perfect football conditions at East Burwood Reserve. On a great day for football in front of a big crowd, Boronia came away victorious in a hard-fought game by 16 points. Boronia played Scoresby in the reserves grand final and came away with a 20-point win. Waverley Blues won directly through to the under-19s grand final and came up against Boronia. Having lost the pair's first finals encounter by 34 points, Boronia reversed that result and won by five points. Boronia entered as the underdog in all three games and came away with three wins; a feat that may never be repeated.

In Division 2, the finalists were met with cold, wet and windy conditions at Tormore Reserve. In the under-19s competition, ladder-leader Park Orchards met Croydon in the grand final, with an impressive Park Orchards team winning by 25 points – its fourth premiership in a row. In the reserves, ladder-leader

Mooroolbark came away with a 22-point win against Bayswater. In the senior competition, Lilydale set the pace early in the season then Doncaster East finished strong to claim top spot. Doncaster East won directly through the grand final whilst Lilydale staged a remarkable comeback win against Bayswater in the knockout semi-final and then beat Upper Ferntree Gully in the preliminary final. After an even first-half, Doncaster East kicked eight goals to one point to run away with a 60-point win to claim the premiership.

The Division 1 home and away season saw Vermont finish the season on top of the ladder, losing just three games. Vermont advanced directly to the grand final with a convincing 55-point win over reigning premier, South Croydon. South Croydon beat Blackburn in the preliminary final in an extra-time heart-stopper to progress to its secondsuccessive first division grand final against Vermont. In sunny conditions at Bayswater Oval, Vermont kicked the first six goals of the game and took a 58-point lead into half-time. After half-time, South Croydon outscored Vermont by 23 points but Vermont came away with a comfortable 35-point win, to claim its first senior premiership win since 2009. The reserves game was a one-sided contest with top of the ladder Vermont prevailing over South Croydon by 68 points, a team it lost to twice in the home and away season. The under-19s game was played between Noble Park and Blackburn, with Noble Park winning the premiership by 37 points on a perfect morning for football.

In the Deakin University Eastern Region Women's competition in front of a great crowd at the Lilydale Sports Oval, Vermont beat Mount Evelyn by eight points, and in Division 2, Donvale beat Blackburn by 11 points. To complete the triple header of matches, Scoresby defeated South Croydon by 17 points to win its first premiership in the BJS Veterans competition.

The 2018 WorkSafe AFL Victoria Community Championships first versus second game was played at Docklands Stadium as the curtain raiser to the St Kilda versus Collingwood Saturday night AFL game. Eastern Football League senior coach Steve Cochrane assembled a quality team and coaching group and we fielded our strongest side in many years. We reversed a 26-point loss in 2016 at Kardinia Park to come away with a 42-point win under the roof at Docklands Stadium. Liam Buxton was awarded best on ground, while Leigh Williams kicked seven goals. Congratulations and thank you to all the players, coaches, trainers and support staff who represented the League.

The effort from the players and coaches was first class, the experience of playing at Docklands Stadium was topped off with an enjoyable after-match function watching the AFL footy and a post-match function at the Albion Hotel.

Finally, thank you to everyone involved in our great competition. With so much hard work going into putting teams on the field each week, our clubs are

driven by tireless workers and terrific people.

Hope you and your families enjoy the break over the summer months as we look forward to another exciting season of football in 2019.

TROY SWAINSTON

General Manager -Football and Game Development

INTERLEAGUE

UNDER-14 - DIVISION 1

Coach: Wayne Judge

MVP: Callum Verrell

The under-14-1 team started its 2019 campaign under lights in a practice match against Mornington Peninsula and quickly came together, registering the first of its three big wins for the carnival. The team recorded 14 individual goal-kickers across three matches, demonstrating a deep talent pool.

UNDER-14 - DIVISION 2

Coach: Mark Pascoe

MVP: Brody-Stone Edwards

Coming up against the Mornington Peninsula and Riddell District leagues, the 14-2 team was able to showcase its skills and play with flair, comfortably winning both of its opening matches. Round 3 proved the challenge on Queen's Birthday Monday, with the Western Region Football League's North Melbourne academy team proving too strong in a tight affair.

UNDER-15 - DIVISION 1

Coach: Brett Davidson

MVP: Tyler Sonsie

The under 15-1 team was able to start the Championships with a hit-out versus the Mornington Peninsula league, before a three-round championship series. Off the back of a disappointing 2017, the under-15-1 side managed to kick upwards of 60 goals across four games in four commanding victories.

UNDER-15 - DIVISION 2

Coach: Ange Lamanna

MVP: Dante Ferraro

The under 15-2 team started its campaign with a practice match under lights at Eildon Park in Rowville, before a home win in Round 1 against Yarra Ranges at Bayswater Oval. It prevailed in Round 2 with a 20-goal win over the Riddell District league before a challenging hit-out against the North Melbourne academy in Round 3, handing the team its only loss of the carnival.

UNDER-15 GIRLS - DIVISION 1

Coach: Sean Buncle

MVP: Tess Flintoff

The inaugural season in the Division 1 competition started with a 48-point win over the South Metro league in the pouring rain at Upwey-Tecoma. The second game was a hard-fought 12-point victory over the Yarra Junior league. In the final round, the EFL's under-15-1 girls defeated the Northern league by 31 points to progress through to the grand final - where the pair would renew acquaintances - with the ERGFL keeping the Northern league goal-less on its way to a 41-point victory to take out the championship.

UNDER-15 GIRLS - DIVISION 2

Coach: Mick McCormack MVP: Jade McCormack

Round 1 for the under-15-2 girls squad in the rain didn't pose any problems, defeating the South Metro league by 45 points, boasting five different goal-kickers. The next game proved more difficult with a 119-point defeat to the Essendon District league squad. Finishing the Championships on a high note, the under-15-2 girls held their own, beating the Northern league by 11 points.

SENIORS

Coach: Steve Cochrane MVP: Liam Buxton

A first-versus-second clash under the roof of Docklands Stadium awaited the Eastern Football League off the back of 2017's victory over the Essendon District league, facing off against the top-ranked Geelong Football League in the 2018 WorkSafe AFL Victoria Community Championships.

In a tight contest for three quarters, the EFL led narrowly at all breaks before a barnstorming seven-goal-to-two final term crowned the League with the number-one ranking in community football in Victoria.

The 42-point win saw the EFL claim the coveted top-ranking for the first time in its history, led by a dominant display from Vermont ruckman Liam Buxton, who finished with three goals, along with Norwood spearhead Leigh Williams who booted seven majors to be named among the best on ground.

JUNIOR COMPETITION

2018 - A YEAR OF GROWTH AND CHANGE

Eastern Football League junior team numbers grew once again, consolidating a fourth year of growth in EFL competitions. Coupled with the boom in Eastern Region Girls, total team numbers spiked past 400 for the first time in history.

Pleasingly, the League added another three divisions of competition in season 2018 – under-8s saw the introduction of 8 Central, hosted by Nunawading Football Club, easing the burden of team numbers at both the north and south venues. Catering for increased team numbers, E-divisions were introduced in both under-11s and under-17s.

In a move to create a more equitable fixture and ladder, the League moved away from using percentage as a tie-breaker in all competitive divisions. The concept was developed to counter the fixture anomalies that can occur following re-grading.

The move saw the introduction of match-ratio in all divisions and the use of tie-breakers, rather than percentage, to separate teams at season's end. The new system places less emphasis on larger wins against lower-placed opposition, something that was ingrained in percentage divisions.

Among changes off the field, the League also made changes on the field, removing boundary umpires in all junior EFL grades. Tested initially in a series of practice matches, the rule was implemented into a second trial phase in rounds 1-4 as the 'last-possession' rule. The change removed the need for two extra volunteers to run the boundary whilst also assisting in speeding up game-play and paving the way for less repeat stoppages.

Whilst the adjustment period took longer than expected, the rule integrated well into the competition once players, coaches and officials gained a greater understanding of the reasoning behind the change as well as more concise interpretation.

INTERLEAGUE

Once again, the League fielded a full quota of boys' sides as part of the AFL Victoria Junior Metro Championships with both are under-14/1 and under-15/1 teams completing undefeated campaigns.

Introduced as a way of combating the shorter training cycle, the interleague training camp allowed players to begin to get to know each other as well as giving our coaches the chance to understand their groups and start to implement early game-plans and strategies.

Further to this, the League also utilised the services of Rise Health Group, tackling coach Mal Bangs and Hawthorn FC to further enhance the experience for our players.

In a new initiative, the League organised practice matches against Mornington Peninsula juniors, fielding sides against both our under-14s and under-15s teams as lead-in games to our championship campaign under lights at both Rowville and South Belgrave.

Our under-15s took on local rivals AFL Yarra Ranges in Round 1 on a wintery Wednesday night. All four sides registered commanding wins against Riddell District FL in Round 2 with both our first teams registered wins against Western Region in Round 3.

The success of the campaign now puts the League in a position once again to compete at Division 1 level in season 2019.

NON-COMPETITIVE

Our budding young stars in under-9s and under-10s got their first taste of competitive football in the Bendigo Bank Lightning Premiership series held at Pinks Reserve early in the season.

In a shift from previous seasons, both days were played in terrific conditions with more than 80 teams competing across the two weeks. Once again, we thank Kilsyth Football Club for the work they do to make the Bendigo Bank Lightning Premiership a great event each year.

Yet another highlight for our future champions was the *Almost Little Legends Clinic* held in the July school holidays, this year at Knox Gardens Reserve. More than 800 under-8-10 boys and girls were given the chance to hone their skills, ably-assisted by personalities from the Nine Network as well as our junior interleague stars.

FINALS

Each of the 35 clubs who fielded competitive sides in season 2018 had at least one side compete in finals – a wonderful start to the four-week finals series.

Even with a record amount of rainfall, flooding and even hail, the weather on grand final day didn't dampen spirits. Across 27 competitive divisions, premierships were shared by 19 clubs, with East Ringwood taking home three, while a further five clubs took home flags on the day.

The 13 venues who hosted finals during 2018 once again did an incredible job. All host clubs continue to go above and beyond to ensure the junior finals series continues to be a success.

BEST CONDUCTED CLUB

In 2018, the EFL shortlisted four clubs for the Gordon Parker Best Conducted Junior Club Award.

These clubs had excelled in a range of areas. Congratulations to Heathmont, North Ringwood and South Croydon.

The overall winner continues to set the standard with regards to club administration.

Vermont Junior Football Club, led by president Clint Wheeler and his hard-working committee, have seen the club grow to 24 teams in season 2018. The club continues to foster a strong link between itself and its senior club with regular attendances from senior players at junior training.

THANK YOU

Out for 18 consecutive weeks through the cold and rain of winter, the EFL's Junior Committee members continue to dedicate their weekends year in and year out – to Leon Bailey, Ian Singleton, Mark Pascoe, Phil Hermann and Bernard Fewster, a huge thank-you.

To EFL CEO Phil Murton, General Manager – Football and Game Development Troy Swainston and the rest of the Eastern Football League staff, thank you for your consult and assistance over the year; the

transition over the last two years from media to junior operations has been a smooth one with your support.

Growth in female football drove an expansion in administration. To Jessie Mulholland who stepped into the female operations role, thank you; your work has allowed for the development of girls' football in the region to continue to expand.

Record numbers of teams continue to put pressure on umpires, and so a huge thanks to EFL Junior Umpire Coach Sean Clarke for his efforts in not only filling the thousands of junior appointments but being driven to continue to develop our umpiring group.

To club committees and volunteers, your passion for the development of your clubs and the game is unwavering and only matched by your dedication. Finally, to the record number of players who took to the field in 2018 - thank you for making the competition great.

DYSON BAKER *Manager - Junior Football*

EASTERN REGION GIRLS

IN 2018, THE EASTERN REGION GIRLS SAW AN EXTENSIVE GROWTH IN FEMALE PARTICIPATION WITHIN ALREADY EXISTING CLUBS BUT ALSO THROUGH NEW TEAMS AND CLUBS ENTERING THE COMPETITION.

The League fielded 113 teams over 15 divisions from the under-10 age group to under-18. This consisted of Premier, Division 1, Division 2, as well as AFL Yarra Ranges divisions.

We welcomed new clubs to female football; from the Eastern Football League, we welcomed Wantirna South, Boronia and South Croydon. We also welcomed new sides from AFL Yarra Ranges clubs including Seville, Yea and Upwey-Tecoma.

Again fielding two under-15 representative sides in the AFL Victoria Metro Junior Championships, both of our sides were highly-competitive, only losing one game between both sides throughout the carnival. Our Division 1 side beat the Northern Football Netball League in the grand final to be named the 2018 premiers.

Come finals time, 22 of the League's clubs were represented in junior finals. The competitiveness and skill improvement were proven, with the average winning margin in the grand finals just 13 points.

Thank you to The Basin, Rowville, Emerald, Wandin, Lilydale, Coldstream, Wesburn, Worawa, Healesville, Gembrook, Seville, Belgrave and Yarra Glen who all played host to Eastern Region Girls finals with 13 divisions played out across four weeks.

Billanook College was the venue for the Eastern Region Girls Presentation Night in which premiership flags were distributed to successful teams. League best and fairest winners, MVP interleague awards and the best junior umpire trophy were also presented.

Congratulations and thank you to both Peter Dixon at AFL Yarra Ranges and Sean Clarke at the EFL for their hard work managing the umpires, week by week

Both leagues' junior competitions are represented by a hard-working group of people who continue to ensure the highest of standards. Thank you to Phil Murton, Dyson Baker, Aaron Bailey, Cameron Hutchison and Andy Gibbons for their support and guidance throughout the year. Thank you also to the Junior Committee of both the EFL and the Junior Commission of AFL Yarra Ranges.

Thank you to the clubs who have prioritised female football and to all of the hard-working volunteers who have contributed to a great year in the Eastern Region Girls competition in the 2018 season.

Finally, to the players, thank you for making this competition the success it has been. We look forward to the continued growth in 2019.

HOME O

IN 2018, THE DEAKIN UNIVERSITY EASTERN REGION WOMEN'S COMPETITION PROVIDED ANOTHER TERRIFIC SEASON SHOWCASING FEMALE FOOTBALL IN THE REGION.

Heading into its second year, we welcomed 10 new clubs which meant the competition grew to two divisions. This also meant the depth of talent and standards grew and will continue to grow into the 2019 season.

Thank you to Silvan and Lilydale who both played host to the Deakin University Eastern Region Women's finals across the two divisions played out across three weeks.

Our grand final day saw record-breaking crowds for what was always going to be an exciting day. The Division 2 grand final between Donvale and Blackburn was an incredibly close game, with the biggest margin standing at just eight points throughout the game. During the fourth quarter, preparing to go into over-time, Donvale came away with the win by four points.

In Division 1, Mount Evelyn defeated last year's premiers Bayswater by 69 points to progress through to the grand final to play Vermont. The top-tier grand final was also close all game, with the game drawn with five minutes remaining in the last quarter. A quick goal and sneaky two points saw Vermont take out the title of 2018 premiers by eight points.

SkyHigh hosted the inaugural Deakin University Eastern Region Women's Presentation Night in which the competition best and fairest medals and goal-kickers were awarded. We also named the inaugural Deakin University Women's Team of the Year in which Donvale Football Club was most represented with three named in the team. Vermont was close behind with two selected, along with Meredith Denvir named as coach of the team.

Congratulations and thank you to both John Edwards at AFL Yarra Ranges and Scott van Noordennen at the EFL for their hard work managing the umpires week by week.

Thank you to the both leagues for their continued support with the women's competition, and thank you to the clubs and their volunteers who have dedicated time and hard work to grow female football in our region.

Finally, to the players, thank you for making this competition the success it has been. We are

expecting an influx of growth in the 2019 season and look forward to having you be a part of it.

JESSIE MULHOLLAND

Female Talent and Competitions Coordinator

NETBALL EFL

NETBALL IN THE EAST CONTINUES TO GROW WITH THIS SEASON REACHING A RECORD NUMBER OF PARTICIPANTS.

The competition grew from 70 teams in 2017 to 79 teams in 2018, established from 31 senior football clubs.

With the competition expanding, the challenge for indoor court space on a Friday night increases. The League used four venues this season including: Knox Regional Netball Centre, Oxley College Stadium, Fairhills High School and Gloria Pyke Netball Stadium.

2018 saw the introduction of a Premier/Premier Reserve division where the top 10 teams in the competition battled it out to make finals. Fairpark Yellow and Wantirna South Devils had an incredibly strong season. Both teams only conceded one loss and that was to each other. Fairpark finished the season as minor premier and took on Wantirna South Devils in the Premier Division grand final. Fairpark controlled the game from the start where it took an early lead and came out deserving winners.

In the Premier Reserve grand final, we saw last season's Division 1 grand final winners, Lilydale Falcons take on newcomers, Scoresby Swoopers. It was a close battle until the last quarter, where Scoresby managed to hold on to a break and win the first-ever Premier Reserve title.

In a very exciting Division 1 grand final, minor premier, South Croydon Red, took on Fairpark Red, who progressed through to the decider using its second chance. Fairpark sprung an early lead but couldn't hang on to it. South Croydon came away with the win, taking the title of the 2018 Division 1 premiers.

In Division 2, top of the ladder Vermont Eagles were the clear stand-outs in the division. Vermont won its qualifying final and was able to use fresh legs from a week off to overrun Croydon in the grand final.

In a very close, contested Division 3 group, minor premiers Whitehorse Pioneers took on fourth-placed Mulgrave Red. In a tight clash, the game was decided by a mere point in the dying seconds of the game. Mulgrave took the title of the 2018 Division 3 premiers.

In Division 4, we saw a few upsets. Minor premier Boronia Brown lost its grand final hopes when it got knocked out by third-placed Glen Waverley Hawks Blue. Upper Ferntree Gully Red earned its spot straight through to the grand final after an impressive performance in the qualifying final. A week off unfortunately didn't help it, and the Glen Waverley Hawks took the lead from the first centre pass. The Hawks were too strong on the night and came away deserving premiers.

Division 5 was played out by the two strongest teams all season, Coldstream White and Heathmont Black. In another tight clash, the game was decided in the last quarter when Coldstream proved too powerful for Heathmont, becoming the 2018 Division 5 premier.

In Division 6, the stronger competitors in Mulgrave, Nunawading and Glen Waverley led the way at the top. Nunawading Lions Gold won its way straight through to the grand final, with Mulgrave Blue being knocked out in straight sets by Glen Waverley Hawks Yellow. The grand final was a close-contested game with Nunawading taking home the silverwear by four goals.

Our interleague program continued this year, with the best of the east taking on the Northern Netball League. The EFL hosted the interleague clash at Knox Regional Netball Stadium on Friday, May 18. Our under-19s put on a great curtain-raiser for the senior game – a great group of young, talented players who were simply outplayed on the night.

The senior game was a great display of quality netball. Unfortunately, we lost the game in the last three minutes of play but we will get them next year!

It was fantastic to watch the incredible talent we have in our competition come together and represent our league to such a high standard.

The League's Chandler Medal presentation evening again recognised the achievements of the netballers with the leading goal-shooters, best and fairest awards for each division and the Premier Team of the Year being awarded.

Congratulations to Lauren Woodgate, Megan Williams, Kellie Phillips, Jessica Hoskin, Danielle Kemp, Paige Lesiputty and Maya Kolevich who were awarded the leading goal-shooter awards for their respective divisions and to Bianca Pilkington, Jessica Teunissen, Kristy Dahan, Jessica Hoskin, Brie Stallworthy, Olivia Lesiputty, and Carly Hewett for taking out the best and fairest awards.

A big thank-you to Raechel Richards, who again undertook the massive task of Umpire Coordinator in season 2018. With 39 games each week, Raechel ensured the appropriate umpires were allocated to every single game whilst developing and mentoring our umpires to be the best they can be. A massive congratulations to Joel Gosbell who was badged this season and to James Sutton who obtained his b-badge. Well done!

A very special thank-you to Alice Barrow, Stephanie Missos, Karin Sansom, Melanie Hogg, Carlee Pepyat, Staci Ball and Rudrani Singh who all undertook the role of venue manager, ensuring the competition ran smoothly each week.

Last but not least, thank you to the clubs and their players for helping make Netball EFL a quality

competition which continues to grow from strength to strength. We look forward to coming back bigger and better in 2019!

PETRA KEOGH

Netball, Events and Administration Manager

MEDIA

SEASON 2018 WAS A YEAR OF SIGNIFICANT

CHANGE FOR THE EASTERN FOOTBALL LEAGUE, AND THE MEDIA OPERATIONS WERE NO DIFFERENT.

I detailed a year ago in my report that as Australia's premier local football competition, my commitment as EFL Media Manager to our sponsors, stakeholders and followers was that they deserve nothing but the best in community football media production. In 2018, this commitment never wavered.

Pre-season saw the *Choose Tap #InFocus2018* countdown, which was a campaign run on *EFL.org.au* from February 23, 2018 until April 7, 2018, featuring daily, in-depth season preview pieces for each senior and junior club in the Eastern Football League.

Each club was featured on a different day, where the senior coach, president or a prominent player was interviewed, covering transfers, expectations for the season, reflections on the past season, personal aspirations and so forth, giving fans an unparalleled insight into each club heading into the new season.

Audiences were more engaged than ever before given the off-season period. The combined reach across Facebook was more than 167,000, while likes were more than 1,100.

Our *EFL Game-Day* broadcasts continued to function to an exemplary standard, bringing listeners all the action from the match of the round across 26 weeks of the season. From 1pm each Saturday, our dedicated team of volunteers brought listeners a detailed, in-depth analysis of all the weekend's action ahead, with entertaining on-air guests throughout, followed by the match call and a comprehensive post-match show from 5pm - 6pm. EFL Sunday again featured on Radio Eastern FM each week from 10am - 12pm, with a line-up of coach interviews across all four divisions and a detailed analysis of the previous day's play by the panel.

Our coverage of the Division 1 grand final, featuring five cameras, on-screen graphics and scorecards, time-clocks, instant replays and insightful commentary from all angles continues to set the benchmark for community football match coverage.

EFL Media also grew further in its professionalism this season, with the investment of a brand-new broadcast caravan. The fully EFL-branded, spacious and smart-looking EFL Media van includes extended front window openings for flawless viewing while calling all the action on game-day, ample stainless-steel bench-top space and room atop the van for our camera crew to film, giving EFL Media an unprecedented professional public image on match-day. Thank you to Troy Swainston, Phil Murton and the EFL Board for helping make the new EFL Media van a reality.

The Eastern Footballer, the EFL's official match-day publication, was again a staple for a day at the football with the circulation totalling 97,250 copies produced. Columns such as *Inside the EFL* again proved a popular read, as well as new columns such as *The Five*, the *Eastland Netball Review* and the return of the ever-insightful *Statsbench* along with the weekly presence of feature articles.

One of the new staples of the week was our podcast, *EFL Insight*, proudly brought to you by 1116 SEN, Melbourne's home of sport. As a successor to the long-serving *The Huddle* weekly radio program, *EFL Insight* was recorded midweek at the Radio Eastern FM studios, edited by yours truly overnight and uploaded each Thursday for streaming or downloading online and across our many social media channels.

Segments included a sharp review of the weekend just passed, featuring the panel's big 'winners' across all four divisions of action, followed by a topical guest based on the happenings of the round to come.

Some of our topical guests centred on social issues in which Australian rules football acts as a vehicle for change or a unifying force in society; of whom included, but not limited to, community educator Pennie Christie from the Victorian Responsible Gambling Foundation in the lead-up to #LoveTheGame Round, relevant League identities promoting the EFL's Freeze the Boss FightMND fundraiser event and Heathmont Football Club's Mark Beatson for his club's annual cystic fibrosis match.

Perhaps our favourite segment on the show was Where Are They Now? proudly brought to you by Tobin Brothers Funerals. On Where Are They Now?, a past player of the Eastern Football League would join us for a chat about their football career and their journey from juniors, through to seniors and everything in between, to their current phase of life and how football and the identities from within have shaped them as individuals. We heard stories of jubilation, agony and ecstasy, and tales of yesteryear which often included a few humourous anecdotes along the way. It proved a popular hit with our listeners, as nostalgia often does in football.

Leader Newspapers' sports reporter Toby Prime would also join us for a weekly chat on his segment, *Prime Cuts*, bringing us up-to-date with all the latest headlines and news from across the competition, which proved an informative staple of *EFL Insight*. Thank you to Toby Prime, along with Paul Amy, for continuing to promote our competition through their comprehensive coverage via Leader Newspapers.

On social media, we continue to grow significantly, with over 16,600 Facebook likes, over 6,000 Twitter followers and over 4,500 Instagram followers. The most significant growth this season, however, was the League's presence on Team App, which now has an EFL follower base of over 30,000, with our major sponsors

enjoying a prominent presence. Since June 2018 alone, Bendigo Bank, carsales, Channel Nine, Deakin University, Eastland, Trojan Tools, SEN and Yarra Valley Water averaged around 23,000 ad views each, while collectively topping over 207,400 views on Team App.

All of our social media outlets also continue to drive heavy traffic to *EFL.org.au*, where EFL followers can access the latest news, weekly columns, features and videos each day. Notably, the EFL's *Match Footage Hub* this year expanded to have all Division 2 matches filmed in addition to Division 1, providing fans, players and coaches alike with unprecedented access to footage. Meanwhile, the *Choose Tap Plays of the Week* continued to soar in popularity, featuring the best marks, goals and passages of play from the previous weekend's action.

September saw the 2018 Clinton Grybas Media Award presented to Brad Henderson at the EFL's Chandler Medal evening, after two decades of involvement.

Whether it was play-by-play commentary, hosting EFL Sunday, around the grounds reporting, calling junior grand finals or helping out in any way possible, Brad's commitment to EFL Media, not only through 2018 but for the many years of involvement has been of the utmost exemplary, professional standard.

The media landscape is an outward medium – everything produced is either broadcast, printed or published online for a state-wide, national and international audience to consume. It therefore should not be understated as to the significance of the role EFL Media team members play in helping project and represent the League in its best possible light. Without our volunteers, our media operations could not function as they continue to do so, and I ask all EFL followers to please keep this in mind and appreciate our volunteers – they are the lifeblood of grassroots sport. Equally, it should not be lost on our media volunteers of the professional brand and public image, standards and expectations they must uphold at all times when representing the Eastern Football League.

Sadly, in 2018, the EFL community lost a well-respected and much-loved friend and individual in former EFL media personality, Shaun Kelly, who tragically passed away in April. Shaun joined EFL Media in the mid-2000s, devoting countless hours into producing highly-entertaining radio and video coverage, while his trademark *Friday Preview* made for weekly in-depth analysis on *EFL.org.au*. His impact from 2005-2011 helped significantly evolve the EFL's media operations, and his legacy will never be forgotten.

Thank you to Darren McKenzie, Bruce Prest and Michael Loughnan of The Loft Productions, Leigh Green, John Higgins and the LKLM Media team, along with Garry Sparke and Davis Harrigan in photography.

Thank you to Broadcast Manager Ben Warren-Smith for his efforts across the season, and a further thank-you to an ever-growing media team which continues to produce quality content each year; Alana Coleman, Barry Kotze, Brad Henderson, Brad Pulley, Brett Beston, Brett Davidson, Damian Watson, Davis Harrigan, Gavin Casey, Jessie Hare, Matt Fotia, Noel McPhee, Peter Baird, Ray Baird, Riley Griffiths, Steve White, Tim Fitzsimons and Wayne Brasher.

We also extend our gratitude to the businesses who advertise through our channels - Tobin Brothers Funerals, Trojan Tools and everyone else who supports our coverage.

Season 2019 shapes as a year of evolution for the EFL's media landscape across our various productions. It is imperative as a brand and an organisation that we continue to evolve, embrace the latest in technology and strive to remain at the forefront of media coverage in community football in keeping with the commitment of delivering our sponsors, stakeholders and followers the highest

quality coverage of Australia's premier local football competition.

Finally, thank you to all clubs for your time and involvement across our various platforms this season, and I wish you all a prosperous 2019.

DANIEL CENCIC
Media Manager

UMPIRING

AT THE START OF THE 2016 SEASON, WE SET ABOUT CREATING MORE OPPORTUNITIES FOR UMPIRES TO GROW FROM OUR JUNIOR COMPETITION TO OUR SENIOR COMPETITION.

The response from the junior group was amazing. In fact, over the past three seasons we have seen over 160 junior umpires progress from our junior competition into our senior competition. The pathway at the EFL Umpires is a very clear path and open to anyone who wants to progress their umpiring.

The coaching group completed over 700 written observations for our entire umpiring list. This is a fantastic result and supports our message to the group that we are determined to ensure that all umpires receive not only group-based coaching, but individual coaching in the form of a written game-day observation.

The upshot of so many observations is that the club has seen many junior umpires transitioning into Saturday senior football and strong growth in our senior list improving into better grades of football.

Match-day observations will continue to be a strong aspect in our seasons moving forward as it allows us to continually reinforce the four-pillar philosophy and create opportunities for our umpiring panel to grow.

Overall, the performance by our umpires in the 2018 finals campaign was strong. This finals campaign saw a great mix of experience and umpires officiating their first senior final and they all performed very well.

As we move to be more predictable amongst each other as umpires, this will see the team aspect grow and give us a higher and more consistent level of umpiring in the EFL.

I would like to thank Bruce Onken (senior field coach), Tim Carlos (development coach), Stephen Smith (boundary coach), Trevor Finch (boundary assistant coach) and Warren Sidebottom (goal coach) for their wonderful contribution and leadership shown throughout the season with their respective groups and the work you all did in creating and then supporting opportunities for umpires to develop.

To Sean Clarke, well done again to you and your team for creating an inclusive, supporting and opportunistic environment for your list in season 2018. The success of our club and indeed future umpiring numbers will come from a very clear pathway that is being created through our junior division of our club and greater opportunities being offered as a result.

To Mal Cree, our fitness advisor, and the trainers Bob and Jodi, thank you for your efforts in having our umpires ready on match-day. Thanks also to EFLUA (Eastern Football League Umpires' Association), its president in Bart Maaskant, the Board of the EFL, the CEO in Phil Murton, Football and Game Development Manager Troy Swainston and the entire EFL administrative team in Mark Freeman, Petra Keogh, Dyson Baker, Daniel Cencic, Sean Buncle, Elle Dow and Jessie Mulholland for their support this season.

Finally, a big thank-you to the umpires of the EFL. I thank you for your efforts and support within the club and look forward to working with you all again in season 2019.

SCOTT VAN NOORDENNEN Head of Umpiring

TRIBUNAL

THE EASTERN FOOTBALL LEAGUE CONTINUES TO SET THE STANDARD REGARDING FAIR AND REASONABLE PLAY, RESULTING IN ANOTHER LOW NUMBER OF REPORTS AND YELLOW CARDS THIS SEASON.

In 2018, there were 71 reports (91 last season) made by umpires and investigation officers, a 22 per cent decrease on the prior season. The increased use of video footage and a desire by both the League and clubs to ensure the welfare and safety of players has contributed to the reduction.

Of the 71 reports, 66 players and officials were found guilty of their offences with 36 reports heard by the tribunal, 31 were found guilty, and 35 players accepted the set penalty offered by the umpires. In total 93 per cent of players reported were found guilty with an average suspension of 2.2 weeks. The junior competition accounted for 38 per cent and the senior competition 62 per cent of total reports, while striking charges accounted for 39 per cent of reports. Players and officials should be commended for their behaviour.

In season 2018, 12 players or officials were reported after an incident was investigated (21 last season),

with 11 of the 12 found guilty either at the tribunal or by acceptance of a set penalty.

The number of yellow and red cards issued in season 2018 reduced by 32 per cent on last season, with 380 cards issued in the senior competition compared to 557 in season 2017. Rough play accounted for 67 per cent of cards issued. Full credit to our umpires who continue to do an outstanding job managing the games and not tolerating unreasonable incidents on the field. One area requiring further review is the increase in yellow cards in the juniors, up from 70 in 2017 to 216 in 2018. Steps will be taken to ensure this trend reverses.

The number of melees in 2018 reduced to 23 compared with 31 in 2017. The League will continue to take a strong stance against this behaviour and all clubs should continue to educate their players as to the risks associated with being involved in melees.

The League is fortunate to have a terrific group of volunteers who sit on our tribunal. Their efforts enable us to continue to promote our league as fair and equitable which will continue to attract players to our competition. Finally, thank you to our investigation officers who provide a thorough and professional service to the League.

WOMEN OF The efl

IT HAS BEEN ANOTHER BIG YEAR FOR THE WOMEN OF THE EFL (WEFL).

We threw our support behind FightMND and were privileged to hear from Daniher's Drive campaign assistant Georgia Cornell and campaign director, Bec Daniher, at our first dinner of the season. Bec spoke of the strength of her dad, Neale Daniher, driving the campaign, how much they have raised so far and that almost every dollar goes back into research, clinical trials and assistance for sufferers. It was a very moving presentation.

Also at the dinner we heard the story of Jessie Mulholland, the Female Talent and Competitions Coordinator for the eastern region. Her story is like many other girls wanting to play football, the only hindrance was that she grew up in New South Wales so it was a hard battle but one that brought her to where she is today. The growth in women's and girls' football continued this season and is still expected to grow again in 2019.

The Women of the EFL, in conjunction with Eastern Health, SALT, Women's Health East, the EFL, AFL Yarra Ranges and Victorian Local Governance Association, banded together to prepare a forum that would be in place of our second dinner. This forum's purpose was to give women an amazing opportunity to hear about how gender equity and women's leadership in sport, community, business and government is

tracking in Melbourne's east and to also listen to how close to home the issues that may confront us all in our association with clubs and life are in general.

We were privileged to hear from a varied and diverse panel and their trials, tribulations and successes along the way in their chosen fields. A sincere thank-you to Katherine Smith (AFLW Melbourne), Cr Marijke Graham (Maroondah City Council), Sarah Almy (Coles Lilydale), The Hon. Heidi Victoria MLA, Kristine Olaris (CEO of Women's Health East) and Lauren Wood (Herald Sun sports journalist) for all participating. It ended up being a fantastic evening and we look forward to the initiatives that will arise moving forward. A big thank-you must go to the driving force behind this forum –Josette O'Donnell from Eastern Health.

Another eventful season draws to a close and our thanks to East Ringwood and Norwood football clubs, their committees and caterers for two great function venues this year; our committee, Gail Hewitt, Prue Green, Robyn Lawson, Chris Dowling, Lauren Wood, and Kerry Buckley; and Petra Keogh for her help from behind the EFL desk and all our guest speakers. And finally, to Phil Murton and the EFL for their ongoing support of the WEFL. We also wish Phil all the best in his new position and look forward to working closely with incoming EFL CEO, Troy Swainston.

JO HART-PARKER

President - Women of the EFL

TRAINERS

FOR THE EASTERN FOOTBALL LEAGUE

TRAINERS' ASSOCIATION (EFLTA), SEASON 2018 HAS BEEN A YEAR OF PLANNING AND CHANGE.

Our 2018 committee was made up of nine members with most being active sports trainers at clubs and often holding down other roles as well, truly dedicated to their clubs and sports training. I would like to acknowledge EFLTA vice president, Nigel Callanan, for his work during the season on sports trainers' qualifications and training courses. Nigel has taken on a complicated task and has managed to map out a new structure for qualifications and training courses that should simplify sports trainers' qualifications over different age groups along with making it simpler for clubs to get their sports trainers qualified.

Again, a special thank-you goes to EFLTA senior vice president and secretary, Tanya Cruickshank, for all of your hard work over the season. To the general committee members, thanks for you efforts over the season and I would also like to mention that after 40-plus years as a sports trainer and over 20 years on the Trainers' Association, one of our life members, John McPherson ('Macca'), has resigned from the committee. 'Macca' has been an exceptional sports trainer and a true gentleman since I have known him and I still tape thumbs the way he taught me 10 years ago. Thank you, 'Macca', from the EFLTA and you will be sorely missed.

Our training courses were run again and 2018 was a difficult year with the Sports Medicine Australia Level 1 Sports Trainers Course changing to two days and issues with SMA's website. This proved very difficult for clubs to get trainers to courses and it was even harder for the junior clubs, hence the work to get a simplified structure going forward that will be accepted by both the EFL and AFL.

Our membership numbers were slightly down on previous years and we appreciate those who have joined the EFLTA. Unfortunately, we have not been able to attract more trainers to join the Association in 2018 and we will be striving in 2019 to attract more members with plans to run an Information night in February for head trainers and junior coordinators.

Congratulations to the Club Warehouse Senior Trainer of the Year recipient, Ian Barnes from the Ringwood Football Club, who accepted his award at the EFL's Chandler Medal presentation night. The 2018 WorkSafe AFL Victoria Community Championships senior clash with the Geelong Football League at Docklands Stadium on May 19 was a highlight for the EFLTA as it gives the Trainers' Association a chance to exhibit some of our expertise at a higher level of football.

Thank you to the trainers who represented the EFL; Tanya Cruickshank (EFLTA), Erica McMenamin (Lilydale), Rick Djohan (North Ringwood), Aaron Jennings (North Ringwood) and Peter Axton (Wantirna South).

As you can see, they are from different clubs across different divisions with varying levels of experience, a great result as the EFL won by 42 points.

Thank you to the trainers and volunteers who assisted with first aid at the Almost Little Legends Clinic at Knox Football Club. It's great fun to watch all the tiny, future footy stars run through their skills with The Footy Show and AFL footballers.

Thank you to our sponsors and partners: Martin Gaul from Club Warehouse, Andrew Meehan from Elastoplast, Lifecare Physiotherapy and Sports Medicine Australia for their support in various courses and workshops that were held throughout the year. We look forward to working together again in 2019.

A big thank-you to EFL CEO Phil Murton and his team at the EFL for their continued support this year. Phil has always made time for the Association and his team that we interact with Petra, Mark and Troy in areas such as compliance, interleague and football operations; we really appreciate your efforts. The Association would also like to thank Phil for his support over the years and wish him well in his new position at the Yarra Ranges Council.

In conclusion, the EFLTA has managed to complete all of our regular duties and services for the 2018 season and the committee deserves the acknowledgement for this work. The challenge going forward in 2018 and beyond is to make it easier for the clubs and sports trainers to recieve relevant training at a reasonable cost and to make sure the Association remains relevant and serves the sports trainers in the EFL.

I wish you all a safe and happy Christmas and new year and look forward to seeing you in 2019.

NEILL CARBOON

Eastern Football League Trainers' Association President

AUSKICK

Auskick has undergone significant changes in 2018 with a new curriculum introduced called Auskick 2.0. It focused on creating a structured approach to setting up Auskick and game-based activities with 360-degree movement aimed at making it more engaging for Auskick participants and parents. The overarching purpose of Auskick 2.0 was to better engage participants in the program to continue for longer.

Auskick 7s continues to thrive as one of the most exciting events on the Auskick calendar each year. Held in May and August across three venues, we had over 35 teams participate each time from over 25 different centres. Auskick has been an excellent initiative in enhancing the transition from Auskick to under-8s football in the Eastern Football League competition. Every centre that fielded an Auskick 7s side has successfully fielded an under-8s side in the following year.

Overall, participation numbers across junior football and Auskick participations are on the rise in this age group. However, Auskick numbers across the region are down three per cent. This can be attributed to an ageing population across most of the region and rising popularity of under-8s football resulting in Auskick participants to leave earlier.

COACHING

This year saw the introduction of the new accreditation system for Foundation-level coaches. A dramatically-improved online resource hub, 'Coach.AFL', system has been created by the AFL, which all coaches are required to be registered to. One of the key changes the new system introduces is yearly accreditations, with coaches required to complete ongoing development opportunities to renew their accreditation in the following year.

Seven coaching seminars were run in 2018 with a record-attendance of over 350 participants. We also introduced a regional coach mentor who serviced several junior club coaches assisting with training and game-day initiatives.

A separate Coach of the Year night was scrapped with all awards presented at the relevant competition presentation night for that age group. The initiative was successful with participants honoured to be presented the award in front of their peers. This also

resulted in a significant cost reduction for the regional coaching budget, allowing funds to be spent on other development initiatives.

The Eastern Region Coaching Philosophy was created in partnership with AFL Victoria, EFL, AFL Yarra Ranges, Eastern Ranges and the Hawthorn Football Club. It is aimed at educating coaches on best practices and acceptable behaviour, it has been a useful resource for clubs and coaches.

SCHOOL PROGRAMS

The Target Schools program was run with four clubs in 2018. We had some outstanding results with three centres recording over 50 per cent growth in participants. It has also further strengthened the relationships between the Auskick centre and the affiliated junior club.

There were two major girls' competitions that were run in the Knox and Maroondah regions in 2018. With the Knox day having over 18 participating schools and Maroondah, 12, it was an excellent initiative that encourages girls who aren't playing at club level to join and participate.

2018 was also the first year the Hawthorn NGA Multicultural Schools Cup was held. We have eight schools that have a CALD (Cultural and Linguistic Diverse) rating of over 40 per cent who are participating in a program that consists of three weeks of clinics and a competition day held at Box Hill City Oval. The program aims to engage participants from a diverse background who aren't currently participating in a junior competition and connect them to junior football.

SEAN BUNCLE & ELLE DOW

Football Development Managers

EASTERN FOOTBALL LEAGUE // 2018 ANNUAL REPORT // footyEFL // www.efl.org.au

TEAM LISTING

SEASON 2018

NOVEMBER 2017

Eight former EFL juniors are drafted onto AFL lists. Classy midfielder Adam Cerra (Norwood/Eastern Ranges) is selected by Fremantle at pick 5 at the AFL national draft, followed by explosive midfielder Jaidyn Stephenson, taken by Collingwood at pick 6. In one of the feel-good stories of the draft, Bayley Fritsch (Coldstream/Eastern Ranges) is taken by Melbourne with pick 31, while tall forward/ruck prospect Sam Hayes lands at Port Adelaide with pick 47. Meanwhile, Ryley Stoddart (Blackburn/ Eastern Ranges) heads to Sydney after his selection at pick 53, as Tom North (Heathmont/Eastern Ranges) is taken with pick 65 by Fremantle and Dylan Moore (Rowville/Eastern Ranges) finds a home at Hawthorn, taken with pick 67. Rounding out a record number of EFL draftees is Trent Mynott (Rowville/Eastern Ranges), snared by Essendon with pick 11 in the AFL rookie draft. The selections of Adam Cerra and Jaidyn Stephenson marks the first time in draft history that two ex-EFL juniors are taken in the first round.

DECEMBER 2017

The 2018 EFL fixture is released, as Good Friday footy is locked in for a second-consecutive season, with Blackburn hosting Doncaster at Morton Park. Night games at home feature among the fixture for Fairpark, Silvan and South Belgrave.

JANUARY

After three seasons as Netball, Events and Admin Manager, Ellie Ingwersen departs the EFL after accepting a role at Yarra Ranges Council.

FEBRUARY

The League appoints Petra Keogh to the role of Netball, Events and Admin Manager.

The Eastern Football League, in conjunction with the Geelong Football League, announce that they have been afforded the opportunity to play the 2018 first versus second 2018 WorkSafe AFL Victoria Community Championships game at Docklands Stadium as a curtain-raiser to the St.Kilda versus Collingwood AFL game on Saturday, May 19.

Former Vermont and Blackburn mentor Steve Cochrane is named coach of the EFL's senior representative side.

MARCH

For the second-consecutive season, Good Friday footy features in the EFL, with the season commencing earlier than usual on March 30. The match is played between Blackburn and Doncaster at Morton Park, with the Sharks prevailing by 10 points.

The EFL Season Launch is held at Deakin University, hosted by Channel Nine's Clint Stanaway. Guest speakers include South Croydon premiership captain Dan King, Bayswater women's premiership captain Zoe Alston, Bendigo Bank's Stuart Greig and Hawthorn Football Club CEO, Justin Reeves.

APRIL

Round 1 commences for 42 senior clubs, while the Deakin University Eastern Region Women's competition commences across two divisions.

The EFL community mourns the tragic, sudden passing of former EFL media personality, Shaun Kelly, aged 37.

MAY

The EFL, in conjunction with AFL Victoria, marks beyondblue Round, raising funds and awareness for mental health in an effort to make mental health part of everyday conversations in clubs, in the stands, and on and off the field.

The netball interleague program features for the second year running, with the EFL taking on the Northern Football Netball League on May 19. Held at Knox Regional Netball Centre, the NFNL races out of the blocks early in the under-19s clash, taking a 10-3 lead into quarter time before slamming on a further 10 majors in the second term to lead 20-6 at the main break. The third quarter tells a similar story, spelling a 23-point deficit at the final change for the EFL, setting up the eventual 47-15 victory for the NFNL. Defender Alanna Lennie is named best on court for the EFL.

The stage is set for the senior clash which proves to be a seesawing affair. Both sides begin in relentless fashion, trading goals early which tells the tale of the first-half; with the NFNL taking a slender one-point lead into quarter time before much of the same in the second term, with the scores locked at 21 apiece at half-time. The sides rally in the third quarter with neither side able to shrug the other, with scores again level at the break at 33 apiece, setting the scene for a pulsating final term.

A valiant showing sees the EFL senior side battle it out in the fourth quarter, but the final minutes see the NFNL lift a gear with the game on the line through some exceptional goal-shooting, prevailing 46-40

Goalkeeper Allana Osborne is named best on court for the EFL through tireless defensive work in a high-intensity, high-pressure match.

The EFL claims the coveted number-one ranking in community football in the state of Victoria for the first time in its history, defeating the Geelong Football League by 42 points in the 2018 WorkSafe AFL Victoria Community Championships at Docklands Stadium. The EFL leads at all changes, before piling on seven goals to two in the final term. Vermont ruckman Liam Buxton is named best afield, while Norwood's Leigh Williams kicks seven goals.

The first WEFL dinner is held at East Ringwood Football Club, featuring Georgia Cornell and Bec Daniher from FightMND and Jessie Mulholland from AFL Victoria as guest speakers.

JUNE

The annual Queen's Birthday weekend clash takes place, as Balwyn hosts Noble Park at Balwyn Park. For the first time in its nine-year run, the home side takes the points as the Tigers defeat the Bulls by 24 points.

The AFL Victoria Junior Metropolitan Championships take place, with the under-14-1 and under-14-2 sides completing undefeated campaigns. Meanwhile, both under-15 girls' representative sides enjoy dominant

carnivals - losing just one match between them - as the under-15-1 girls' side claims the championship.

The EFL, in conjunction with the Norwood and Blackburn football clubs and FightMND, host the inaugural *Freeze the Boss* fundraiser at Mullum Reserve to raise funds and awareness for motor neurone disease. EFL CEO Phil Murton, Bendigo Bank CEO Stuart Greig, Norwood president Mark Etherington and Blackburn president Matt Breen are plunged into icy-cold water at half-time. Over \$4000 is raised for FightMND.

JULY

The annual Almost Little Legends Clinic, supported by the Nine Network, sees around 800 junior footballers descend on Knox Gardens Reserve. The junior footballers are put through their paces by members of Nine News, The Footy Show, Kids' WB and the EFL's junior interleague stars.

The Women Leading the Change forum is held at Norwood's Mullum Reserve, focussing on achieving gender equality in Melbourne's eastern region. Panel of special guests include Herald Sun sports journalist Lauren Wood, Maroondah City Council's Marijke Graham, Melbourne Football Club AFLW player Katherine Smith, Women's Health East CEO Kristine Olaris and The Hon. Heidi Victoria, member for Bayswater.

SEASON 2018

AUGUST

The EFL marks #LoveTheGame Round, a joint-initiative by AFL Victoria and the Victorian Responsible Gambling Foundation to raise awareness of the presence of gambling in sports and to love the game, not the odds.

Junior boys' grand final day sees 19 clubs share in up to 27 competitive division premierships, as East Ringwood claims three flags, while junior girls' grand final day sees 22 of the competition's clubs represented.

The Bendigo Bank Senior Finals Series begins for Division 3 and 4, as the Netball EFL grand finals are played across all grades, with Fairpark Yellow (Premier Division), Scoresby Swoopers (Premier Reserve), South Croydon (Division 1), Vermont Eagles (Division 2), Mulgrave Red (Division 3), Glen Waverley Hawks Blue (Division 4), Coldstream White (Division 5) and Nunawading Lions (Division 6) victorious.

SEPTEMBER

Junior Presentation Night is held at Ringwood's Karralyka Centre, with over 450 people in attendance. Co-hosted by EFL Media Manager Daniel Cencic and EFL media volunteer Damian Watson, awards presented include competition best and fairest medals, premiership flags, best junior umpire and four interleague most valuable player awards as Vermont wins the Gordon Parker Best Conducted Junior Club Award. Meanwhile, Billanook College hosts the Eastern Region Girls' Presentation Night.

The EFL Umpires' Association hosts its annual gala event, The Last Bounce, at Linley Estate Receptions with umpire Tim Phillips as MC. Grand final appointments are announced and the best EFL umpires are recognised for their achievements in 2018.

Former Ferntree Gully Eagles junior Jaidyn Stephenson wins the coveted AFL Rising Star Award, after a stellar debut season with Collingwood.

The Whitehorse Pioneers win their first senior premiership since 2007, defeating the Glen Waverley Hawks by 16 points in the Division 4 grand final at Mitcham's Walker Park. The Pioneers' victory seems unlikely at half-time as they fail to register a major in the opening half, before piling on six goals to one in the second half, including four goals to none in the final quarter. The Whitehorse Pioneers' Damian Bertacco is named best on ground.

Scoresby wins the premiership in the BJS Insurance Veterans competition, defeating South Croydon by 17 points at the Lilydale Sports Oval. The Magpies' Simon Way is named best afield. Shortly after, Donvale claims the inaugural Deakin University

Eastern Region Women's Division 2 premiership in a tight-tussle with Blackburn, prevailing by four points as Alannah Antonellos claims best on ground honours. Vermont battles Mount Evelyn for the Deakin University Eastern Region Women's Division 1 premiership, as the Eagles triumph by eight points in their inaugural season. Vermont's Jessica Elder is named best on ground.

Boronia produces a stirring display in the Division 3 senior grand final at East Burwood Reserve, recording an upset victory over an undefeated Ringwood outfit by 16 points to deliver the Hawks their first senior premiership since 2000. Boronia's Luke Hannon is named best on ground. Proceeding the main event, the Hawks' under-19 and reserves also claim underdog premierships, completing the hat-trick for Boronia.

Doncaster East ends its 11-year premiership drought in emphatic fashion, defeating Lilydale by 60 points in the Division 2 grand final at Tormore Reserve. With just five points separating the sides at the main break, the Lions register eight goals to none in the second-half, with Dillon Viojo-Rainbow named best afield kicking three majors.

The best of the Deakin University Eastern Region Women's competition gathers at Mount Dandenong's SkyHigh for the 2018 presentation evening. The Basin's Teagan Sheldon claims the Division 1 best and fairest award, while South Croydon's Ebany Vanderheym takes the top-honour in Division 2.

The EFL's night of nights, the Chandler Medal, is held at the Manningham Function Centre with over 400 people in attendance. Two EFL greats are officially elevated to legend status with Doncaster's Chris Annakis awarded the Sir Gilbert Chandler Medal for the second-consecutive season, while Bayswater's Joel Galvin is crowned the Kenneth Wright medallist as the best and fairest in Division 2. Meanwhile, Ringwood's Trent Farmer claims his second-consecutive Edie Medal in Division 3, as Coldstream's Darcy Carrigan wins the James Medal in Division 4.

For the second-consecutive year, Vermont meets South Croydon in the Division 1 grand final. The traditional grand final luncheon, hosted by Nine News personality Tony Jones, sees a turnout of dignitaries including politicians, club presidents and sponsors.

With an 8,000-strong crowd assembled at Bayswater Oval to witness another instalment in the growing Eagles-Bulldogs rivalry, Vermont races out of the blocks early, with forward Andrew Ainger setting the tone kicking four majors in the opening term. Vermont leads by 32 points at quarter time and 58 at the main-break, before blowing the margin out to a game-high 70 points at the 18-minute-mark of the third quarter.

A Max King-led revival for South Croydon thereafter sees the Bulldogs pile on five consecutive goals from the 20-minute-mark of the third term to the 21-minute-mark of the last – with four of those belonging to King – cutting the margin to an unassailable 39 points as the Eagles aren't to be denied on their way to a record 20th senior EFL premiership – and their first since 2009.

The Eagles' Andrew Ainger is awarded the Cliff Tomkins Blue Ribbon Medal, judged best afield with five goals.

The EFL's partnership with the Victoria Police Blue Ribbon Medal Foundation sees over \$20,000 raised during the Bendigo Bank Senior Finals Series.

OCTOBER

Croydon North-Mount Lilydale Old Collegians Football Club (Croydon North-MLOC) becomes the EFL's 45TH senior club, after being successfully voted in by EFL clubs at a Special General Meeting of EFL clubs. Croydon North-MLOC will compete in the EFL's Division 4 in 2019.

The AFL draft combine takes place with up to six EFL juniors put through their paces ahead of November's national draft.

After 12 years at the Eastern Football League, including the last five seasons as Chief Executive Officer and the previous seven as Football Operations Manager, Phil Murton resigns after accepting a role at Yarra Ranges Council.

General Manager - Football and Game Development Troy Swainston is instilled as Acting CEO of the Eastern Football League.

Statement by Board Members

The board has determined that the association is not a reporting entity and that this special purpose financial report has been prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the board the financial report as set out on pages 42 to 47.

- 1. Presents fairly the financial position of the Eastern Football League as at 31 October 2018 and its performance for the year ended on that date in accordance with Note 1 to the financial statements.
- 2. At the date of this statement, there are reasonable grounds to believe that the Eastern Football League will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the board and is signed for and on behalf of the board by:

GRAHAM HALBISH

Board Member

TIM FINEMORE

Board Member

Dated in Melbourne on this 27th day of November 2018

Notes to and forming part of the Financial Statement

FOR THE YEAR ENDED 31 OCTOBER 2018

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Reform Act 2012 (Vic), for use by the members of the league and to fulfil the board's requirements to prepare financial statements. The Association is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

The financial report has been prepared in accordance with the requirements of the Associations Incorporation Reform Act 2012 (Vic) and the following Accounting Standards:

AASB 101	Presentation of Financial Statements
AASB 107	Statement of Cash Flows
AASB 108	Accounting Policies, Changes in Accounting Estimates and Errors
AASB 110	Events after the Reporting Perio
AASB 116	Property, Plant and Equipment
AASB 117	Leases
AASB 118	Revenue

No other applicable Accounting Standards, Australian Accounting Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

A) PROPERTY, PLANT & EQUIPMENT

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment loss.

The carrying amount of plant and equipment is reviewed annually by directors to ensure

it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the association and the cost of the item can be measured reliably.

All other repairs and maintenance are charged to the income statement during the financial period in which they are incurred.

The directors have assessed the current market value of the league's land and buildings as at least \$610,000 based on the most recent Knox City Council valuation.

B) DEPRECIATION

The depreciable amount of all fixed assets is depreciated on a straight line basis over their useful lives commencing from time the asset is held ready for use.

The depreciation rates used for each class of assets are as follows:

Freehold Improvements 9% to 33%

Furniture and Equipment 20%

Computers 20% Motor Vehicles 20%

C) LEASES

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the association are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amount equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straightline basis over their estimated useful lives where it is likely that the association will obtain ownership of the asset or ownership over the term of the lease.

D) REVENUE RECOGNITION

Sales Revenue

Sales Revenue represents revenue earned (net of returns, discounts and allowances) from the sale of products and services. Sales revenue is recorded when the goods are dispatched.

Interest Income

Interest Income is recognised as it accrues.

Asset Sales

The profit or loss on disposal of assets is included as revenue of the association. Such profit or loss on disposal of assets is brought to account at the date an unconditional contract of sale is signed.

E) INCOME TAX

The league has been granted an income tax exemption by the Australian Tax Office.

F) INVENTORIES

Inventories are measured at the lower of cost and net realisable value. The cost is based on the first in, first out principle and includes expenditure incurred in acquiring the inventories and bringing them to their existing condition and location.

Net realisable value is determined on the basis of the company's normal selling pattern. Expenses of marketing, selling and distribution to customers are estimated and are deducted to establish net realisable value.

G) EMPLOYEE BENEFITS

Provision is made for the association's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of

the estimated future cash outflows to be made for those benefits.

h) GOODS AND SERVICES TAX

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

I) IMPAIRMENT OF ASSETS

At each reporting date, the association reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

Where it is not possible to estimate the recoverable amount of an individual asset, the association estimates the recoverable amount of the cash-generating unit to which the asset belongs.

J) COMPARATIVE AMOUNTS

Where required by Accounting Standards comparative figures have been adjusted to conform with changes in presentation for the current financial year.

New Accounting Standards

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 January 2018 and have not been applied in preparing these financial statements. None of these is expected to have a significant effect on the financial statements of the League.

Independent Audit Report

To the Members of Eastern Football League Inc.

OPINION

We have audited the accompanying financial report, being a special purpose financial report, of Eastern Football League Inc. which comprises the statement of financial position as at 31 October 2018, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information and the statement by the members of the committee.

In our opinion the financial report gives a true and fair view of the financial position of Eastern Football League Inc. as at 31 October 2018 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements and the Associations Incorporation Reform Act 2012 (VIC).

BASIS FOR OPINION

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

In conducting our audit, we have complied with the independence requirements of the Australian professional ethical pronouncements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

EMPHASIS OF MATTER - BASIS OF ACCOUNTING

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist Eastern Football League Inc. to meet the requirements of the Associations Incorporation Reform Act 2012 (VIC). As a result, the financial report may not be suitable for another purpose.

COMMITTEE'S RESPONSIBILITY FOR THE FINANCIAL REPORT

The Committee is responsible for the preparation and fair presentation of the financial report and have determined that the accounting policies described in Note 1 to the financial statements which form part of the financial report are appropriate to meet the financial reporting requirements of the Associations Incorporation Reform Act 2012 (VIC) and are appropriate to meet the needs of the members. The Committee is also responsible for such internal control as the Committee and management determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL REPORT

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Compilation ReportTo the Members of Eastern Football League

We have compiled the accompanying special purpose financial statements of Eastern Football League, which comprise the detailed statement of comprehensive income on pages 48 to 49, for the year then ended 31 October 2018. The specific purpose for which the special purpose financial statements have been prepared is to provide private information to the Board.

THE RESPONSIBILITY OF THE DIRECTORS

The directors of Eastern Football League are solely responsible for the information contained in the special purpose financial statements, the reliability, accuracy and completeness of the information and for the determination that the financial reporting framework used is appropriate to meet their needs and for the purpose that the financial statements were prepared.

OUR RESPONSIBILITY

On the basis of information provided by the directors we have compiled the accompanying special purpose financial statements in accordance with APES 315 Compilation of Financial Information.

We have applied our expertise in accounting and financial reporting to compile these financial statements. We have complied with the relevant ethical requirements of APES 110 Code of Ethics for Professional Accountants.

ASSURANCE DISCLAIMER

Since a compilation engagement is not an assurance engagement, we are not required to verify the reliability, accuracy or completeness of the information provided to us by management to compile these financial statements. Accordingly, we do not express an audit opinion or a review conclusion on these financial statements.

The special purpose financial statements were compiled exclusively for the benefit of the directors who are responsible for the reliability, accuracy and completeness of the information used to compile them. Accordingly, these special purpose financial statements may not be suitable for other purposes. We do not accept responsibility for the contents of the special purpose financial statements.
