# EFNL BY-LAWS REPORTABLE OFFENCES & TRIBUNAL

In all sanctioned EFNL matches umpires have powers under the AFL Laws of Australian Football to report any player for a breach.

In the event of any reportable offence taking place during the progress of any official match or on the day of the match, the field umpire(s) in all sections and all official EFNL goal and boundary and emergency umpires shall have the power to report players or officials in respect of the offence to the Tribunal.

Should a player be reported during a game the following process will take place:

- A delegate (usually the Team Manager) will attend the umpire's rooms, The field umpire(s) will then provide both delegates a copy of the report.
- Depending on the level of severity of the offence the umpire may refer the matter directly to the tribunal. For other offences the umpire has discretion to apply a set penalty for the offence within the prescribed penalties.
- Where a set penalty is offered, the club delegates will have 15 minutes to decide whether to accept the penalty or wish the report to be heard by the Tribunal. Note in instances where there is a witness named (i.e striking, rough conduct charges) both clubs will need to accept the penalty for it to be applied.

Clubs who elect not to accept the set penalty have until 11am on Monday morning immediately following the match to accept the set penalty. The club should call or email the General Manager – FO to advise of their decision.

 Where a case is referred to the tribunal the General Manager – Football Operations will liase with the clubs involved as well as the umpire to ensure their availability. Tribunals are held on Tuesday evenings from 7pm onwards at EFNL House – 256 Scoresby Road, Boronia.

If an umpire does not view or does not report an incident that may be perceived as reportable, the aggrieved club may lodge a request for investigation with the office of the CEO by no later than 4:00pm on Tuesday (Saturday games) or Wednesday (Sunday games).

The League will appoint an independent investigator/ Match Review Officer to review the matter (utilising vision where possible). Both will have powers to report, offer a set penalty or have the matter referred to a tribunal.

# MOVEMENT BETWEEN TEAMS movement of players between teams and age groups - Juniors

All players in the under 8 to 18 grades (inclusive) may play out of their registered age group. However, no player may:

- Play more than two years above his/her registered age group. As an exception to this rule Under 15 boys may fill-in, if necessary, in Under 17.5's.
- Play more than three (3) games out of his/her registered age group in any one season, unless approved by the Junior Manager.

The first team a player plays his/her fourth (4th) match in is the only team they can qualify for finals in. Once a player has qualified in an age group, they are limited to three (3) matches in a higher age group. Unless approved by the Junior Manager they cannot move down to a lower age group.

## Under 17.5/ Under 18 Girls

All players in Under 17.5 and Under 18 Girls grade may play out of their registered age group. However, no player may:

- Play nine (9) or more games out of his/her registered age group in any one season.
- Play nine (9) or more games in the senior competition and participate in Junior Boys finals in that season.

Players may qualify for finals in both Under 17.5/Under 18 Girls and Under 19.5/Seniors.

## **MOVEMENT OF PLAYERS WITHIN AGE GROUPS – JUNIORS**

## Under 11 to 16

Where a club fields more than one (1) team in the same age and grade a player is permitted to move between teams. However:

- Once a player has played five (5) matches in the higher graded team, that player may not move to the lower graded team for the remainder of the season.
- Players in the lower graded team are free to move to the higher graded team during home and away matches.
- The first team a player plays five (5) matches in is the only team that player is eligible to represent in the finals series.
- Where a bye is fixtured in the higher graded team, no player is permitted to move to the lower graded team during the week of the bye.
- If a club with multiple teams in one age group forfeits a match, the forfeit should occur in the lower rated team.

Where a club field's more than one team (1) in the Under 17.5 or 19.5 competition, a player is permitted to move between teams. However:

- Where a bye or split round is fixtured in the higher graded team, no player is permitted to move to the lower graded team during the week of the bye.
- A player must play at least 3 matches (Under 19.5) or 5 matches (Under 17.5) for the respective team during the home and away season to qualify to play in the finals series for that team.
- Any player playing more than 9 matches (Under 19.5) or 7 matches (Under 17.5) during the home and away season in the higher graded team is ineligible to play with the lower graded team in the finals.
- A player is only permitted to play in the finals series for one of the clubs Under 17.5 or 19.5 teams. Unless an 'exceptional circumstances' submission is lodged by the club, which outlines the grounds for consideration and is approved by the EFNL Administration.
- If a club with two teams in the Under 17.5 or 19.5 competition forfeits a match, the forfeit should occur in the lower rated team.
- Prior to either team playing an official game, a list of 15 players who are only eligible to play in the higher ranked team must be submitted to the EFNL GM-FO (Under 19.5's) or EFNL Junior Manager (Under 17.5).

### **MOVEMENT OF PLAYERS BETWEEN TEAMS - SENIORS**

In circumstances where a club's senior team is the first team to play on any weekend or round (including finals), no player who plays in the senior team is eligible to play in the reserves, Under 18/19 teams on subsequent days.

In circumstances where 20 eligible players will not be available to take the field in a nominated match, the league CEO may at his/her absolute discretion grant a permit to play for a player/s for the nominated match only.

Unless by approval from 38.1 (e), players are not permitted to play in two games on any weekend or round within the same age group or between any age group that would usually share the same timeslot (e.g. Under 14 & 15).

# FINALS ELIGBILITY

### To Participate in Finals Matches - (Applies to home and away matches only)

- Players must play (take to the field during the game) at least 3 matches with their Affiliated Senior (Incl. veterans) or Junior Club in home and away matches to qualify to play in the final's series for their senior or junior club.
  - To be eligible to play in the second 18 or Under 19.5 team finals matches a player must have played in three home and away matches for that team during the current season.
    - An exception shall apply where any club fields a first 18 and second 18 team in a final's series match on the same day, or the same weekend.
  - Any player playing 10 or more matches with a club's first 18 team in the home and away matches is ineligible to play with that club's second 18 team or Under 19.5 team in the final's series.
     Exceptions shall apply where the player has played 6 or more games for the second 18 team or Under 19.5 team during the home and away season, or where any club fields a first 18 and second 18 team in a finals series match on the same day, or the same weekend.
- Any player drafted by an AFL club, placed on an AFL or rookie list or included on an official VFL/W list can, provided they have qualified under the rules, return to play with the EFNL in the finals in the seniors and reserve grades only
- Any player that plays 12 or more home and away games in any season in the VFL/W and/or NAB League competitions is ineligible to play EFNL Senior finals in that season.
- Any player that plays more than 50% of home and away games in any season in the VFLW is ineligible to play EFNL Senior and Junior finals in that season.
- Any player that plays nine (9) or more games in any season in the NAB League Boys competition is ineligible to play EFNL boys junior finals in that season.
- Any player that plays more than 50% of home and away games in any season in the NAB League Girls competition is ineligible to play EFNL Girls junior finals in that season
- Any player that plays one (1) or more games in any season in the VFL/VFLW competition is ineligible to play EFNL boys/girls junior finals in that season.
- Any player that plays a senior grade game in the VFL/VFLW competitions is ineligible to play EFNL reserves unless that player has played 3 games for that specific team or has played a minimum of 5 games for the club during the particular season.
- Where a player participates in more than one senior club match (seniors, reserves, Under 19.5s) on any weekend, only one match shall count towards finals eligibility qualification. The game that counts shall be the highest grade or age group played unless the player is an Under 19.5 player filling in for a Reserves team which is short of numbers.

• Any Senior Women's player playing seven (7) or more matches with the clubs first team (higher division) in the home and away season is ineligible to play with that clubs second team (lower division) in the final's series. See by-law 39.1(d) for movement of players between teams during finals.
