Timekeepers shall keep sounding the siren until any officiating umpire notifies them by blowing their whistle and holding up two hands that they has heard the siren.

#### NOTES:

- Prior to the commencement of the match and during the half time interval, if both teams have not entered the field within one minute of the umpires entrance, the siren should be sounded at one minute intervals.
  - It is essential that each game finishes at the compulsory finish time as highlighted above. Once these times have been reached, the siren will be rung regardless of the state of play.
- Once it becomes apparent that the compulsory finish time may be imposed, timekeepers may reduce the length of the breaks between quarters to ensure equal time periods are played. Once the compulsory finish time is reached, the siren will be rung regardless of the state of play.

### **DUTIES OF THE TIMEKEEPER**
