

EASTERN FNL JUMPER CLASHES

By-Law 12.2 Jumper Clashes

(a) The teams of each club shall wear their registered colour guernseys, however, if two clubs compete in the same division and those clubs' colours are the same or similar and are drawn to compete against one another, the away club must change its jumper EFNL Senior jumper clashes will be posted on the website before the commencement of the season.

(b) In the event of teams whose colours are the same or similar meeting in finals, the club finishing higher on the ladder at the completion of the season will retain its jumper, unless this is varied by the Board or its appointee.

Clubs are required to utilise an away/clash jumper where a clash permits – should this not be available clash jumpers are available on loan from the EFNL.

Alternate Jumpers

Individual clubs may choose to wear their alternate jumper where they feel that there may be a jumper clash that is not recognised by the EFNL.

Please do advise the EFNL and the opposing club in writing of your intention to wear an alternate strip by the Wednesday prior to the game.
