EFNL BY-LAWS REPORTABLE OFFENCES & TRIBUNAL

In all sanctioned EFNL matches umpires have powers under the AFL Laws of Australian Football to report any player for a breach.

In the event of any reportable offence taking place during the progress of any official match or on the day of the match, the field umpire(s) in all sections and all official EFNL goal and boundary and emergency umpires shall have the power to report players or officials in respect of the offence to the Tribunal.

Should a player be reported during a game the following process will take place:

- A delegate (usually the Team Manager) will attend the umpire's rooms, The field umpire(s) will then provide both delegates a copy of the report.
- Depending on the level of severity of the offence the umpire may refer the matter directly to the tribunal. For other offences the umpire has discretion to apply a set penalty for the offence within the prescribed penalties.

 Where a set penalty is offered, the club delegates will have 15 minutes to decide whether to accept the penalty or wish the report to be heard by the Tribunal. Note – in instances where there is a witness named (i.e striking, rough conduct charges) both clubs will need to accept the penalty for it to be applied.

Clubs who elect not to accept the set penalty have until 12 noon on Monday morning immediately following the match to accept the set penalty. The club should call or email the General Manager – FO to advise of their decision.

 Where a case is referred to the tribunal the General Manager – Football Operations will liaise with the clubs involved as well as the umpire to ensure their availability. Tribunals are held on Tuesday evenings from 7pm onwards at EFNL House – 256 Scoresby Road, Boronia.

If an umpire does not view or does not report an incident that may be perceived as reportable, the aggrieved club may lodge a request for investigation with the office of the CEO by no later than 5pm on Monday's. If there are incidents that are brought to the attention of the league after this time it is at the discretion of the General Manager – FO and/or CEO to determine if an investigation will occur.

The League will appoint an independent investigator/ Match Review Officer to review the matter (utilising vision where possible). Both will have powers to report, offer a set penalty or have the matter referred to a tribunal.
