**APPENDIX SEVEN**

**EASTERN FOOTBALL LEAGUE**

**COMMUNITY CLUB SUSTAINABILITY**

**PLAYER PAYMENT RULES AND GUIDELINES**

**PLAYER POINTS SYSTEM**

## **Community Club Sustainability - Player Payment Rule**

### **1. Objectives**

In order to maintain, support and grow Australian football at the community football level it is important that teams fielded by community Clubs are as strong and well matched as possible.

The support for community football competitions and participating Clubs and the opportunity for players to develop and display their skills depends upon those competitions being conducted between evenly matched and financially viable Clubs.

It is also important that stronger Clubs do not obtain an unfair proportion of the best Players at the expense of the weaker Clubs, and that there is sufficient stability in the membership of Club teams to enable team spirit and public support to be maintained.

The pursuit of these objective assists in attracting and maintaining the interest of players, supporters, officeholders, sponsors and volunteers, all of whom are essential for community football competitions and Clubs.

To assist in achieving these objectives, the Eastern Football League has adopted this Player Payment Rule. This Player Payment Rule will operate in conjunction with the AFL Victoria Player Points System Policy, which is directed to similar objectives.

### **2. Player Payments not to exceed Allowable Player Payments**

- (b) **is so given, provided or applied by a Club, or by any Associate of a Club, unless the Player, the Club or the Associate of a Club proves to the satisfaction of the Integrity Officer that the payment, consideration, advantage or benefit was paid, given or provided to the Player, or applied for the benefit of the Player or any Associate of a Player, in consideration of bona fide:**

## **Eastern Football League Community Club Sustainability - Guidelines for Player Payment Rules November 2017**

The following guidelines (**Guidelines**) are issued by the Eastern Football League to assist Clubs, Club Officials and Players with the application of the Eastern Football League Player Payment Rules (**Player Payment Rules**) and the valuation of Player Payments.

These Guidelines are to be read in conjunction with the Player Payment Rules. In the event of any inconsistency between the Player Payment Rules and the Guidelines, the Player Payment Rules are to prevail. Any terms used in these Guidelines are to be given the same meaning as in the Player Payment Rules.

It is the intention of the Eastern Football League to update these Guidelines from time to time, and prior to the 2019 Season.

### **Transition Provision - Pre-Existing Playing Contracts**

Where a Club and a Player are parties to a written contract in relation to the provision of playing services for a Club (**Pre-Existing Playing Contract**) and:

- (a) the Pre-Existing Playing Contract was entered into prior to December 12<sup>th</sup> 2016;
- (b) the Pre-Existing Playing Contract includes the information of the kind required under Rule 4(a)(i)(A) and (B); and
- (c) the Pre-Existing Playing Contract is signed by the Player and on behalf of the Club,

then the Club or the Player may lodge the Pre-Existing Contract with the Eastern Football League as the Player Declaration in respect of that Player (and will not be required to lodge a Player Declaration in the form set out in Attachment 1 in respect of that Player).

### **Club related expenses**

Club related expenses that will be deducted by or on behalf of the Club from any payments to a Player (or any Associate of a Player) must be clearly identified and detailed in the Player Declaration and will constitute a Player Payment. Examples of these types of expenses include annual player registration fees, payments for playing apparel and fees for attending social functions.

Club related expenses must be treated in a consistent manner across all Players of a Club.

## **Coaches / Coaching Staff**

A payment made to a coach or coaching staff who is not also a Player (i.e. non-playing coaches and non-playing coaching staff) is not a Player Payment and is not included in the calculation of a Club's Player Payments (unless that payment otherwise constitutes a Player Payment).

### *Playing coach*

Where a Club appoints a single Player as the coach of the Club's Senior Team (i.e. a playing coach), the coaching element of that Player's payments should be specifically identified in the Player Declaration lodged in accordance with Rule 4(a).

For the purposes of the Player Payment Rules, 50% of the payments the Club has given or applied to a playing coach, to a maximum of \$20,000 is not a Player Payment and may be excluded from the calculation of the Club's Player Payments. For example, if a playing coach is paid \$30,000, then \$15,000 would not be a Player Payment and would not be included in the calculation of the Club's Player Payments. If a playing coach is paid \$50,000, then \$30,000 would be a Player Payment and be included in the calculation of the Club's Allowable Player Payments.

### *Co-coaching*

Where a Club appoints one coach of the Club's Senior Team who is not a Player, and one coach who is a Player (in a co-coach arrangement), the amount paid to the coach who is a Player that is not a Player Payment and may be excluded from the calculation of the Club's Player Payment calculations is no more than 25% of their total remuneration, to a maximum of \$10,000.

Where a Club appoints two coaches of the Club's Senior Team who are both Players (in a co-coach arrangement), the amount paid to the coaches that is not to be considered a Player Payment and may be excluded from the calculation of the Club's Player Payments is no more than 25% of the total payments to both coaches, to a maximum of \$10,000 per coach.

The exclusion under this guideline applies up to a maximum of two co-coaches. For all Co- Coaching arrangements, clubs must seek a ruling under Rule 8 (d).

### *Coaching Other Teams*

Where a Player coaches any open age team, (other than the Club's Senior Team) or the oldest under age team at the Club (e.g. Under 19, Under 18 or Under 17 team), the payment to the Player for coaching this team must be specifically identified in the Player Declaration, and any payment, to a maximum of \$3000, will not be considered a Player Payment and may be excluded in the calculation of the Club's Player Payments.

### *General*

The guidelines above that allow for the exclusion of certain parts of payments to coaches from Player Payments will only apply where:

- (a) all payments to the coach have been specifically detailed in the Player Declaration and the Declarations lodged by the Club under Rule 4(a);
- (b) the relevant playing coach or other team coach holds a current AFL Coaching Accreditation; and
- (c) the relevant playing coach or other team coach is specifically identified on the team sheet for the relevant Match to which the payment applies.

Any amount not excluded from the calculation of the Club's Player Payments will be included in the calculation of the Club's Player Payments.

### *Assistant Coaches*

All payments to Players in relation to services to the Club as an assistant coach will be a Player Payment and included in the calculation of the Club's Player Payments.

### **Employment**

For the purposes of the Player Payment Rules, when assessing whether an employment arrangement with a Club or an Associate of a Club is bona fide, consideration will be given to, among other things, current commercial practices, market rates for payments for similar employment arrangements and any relevant industry awards.

All employment related payments associated with the operations of the Club (e.g. bar manager, canteen, ground maintenance etc.) must be declared under Rule 4. Clubs may apply for a Ruling under Rule 8(d) as to whether such payments constitute Player Payments and as to their value for the purposes of the Player Payment Rules.

If a Club wishes to employ a Player to fulfil a (non-coaching) Club related role (e.g. groundskeeper) and is of the view that the payments paid to a Player for that employment has not assisted in the recruitment and/or retention of that Player to play in a team of the Club, and it can be shown the Player's qualification and or experience are relevant to the employment, the Club may apply to Eastern Football League for a ruling under Rule 8(d) as to whether such payments constitute Player Payments and as to their value for the purposes of the Player Payment Rules.

### **Provision of Services**

For the purposes of the Player Payment Rules, when assessing whether the provision of services by a Player or an Associate of a Player to a Club or an Associate of a Club is bona fide, consideration will be given to, among other things, current commercial practices and market rates for payments for similar services.

All services related payments associated with the operations of the Club (e.g. bar manager, canteen, ground maintenance etc.) must be declared under Rule 4. Clubs may apply for a Ruling under Rule 8(d) as to whether such payments constitute Player Payments and as to their value for the purposes of the Player Payment Rules.

If a Club wishes to engage a Player to provide (non-coaching) Club related services (e.g. grounds keeping services) and is of the view that the payments paid to a Player has not assisted in the recruitment and/or retention of that Player to play in a team of the Club, and it can be shown the Player's qualification and or experience are relevant to the role, the Club may apply to the Eastern Football League for a ruling under Rule 8(d) as to whether such payments constitute Player Payments and as to their value for the purposes of the Player Payment Rules.

### **Awards / Incentives**

Player incentives / match awards paid in cash are Player Payments and are included in the calculation of the Club's Player Payments. This includes Weekly Awards, or incentive / bonus payments made to a Player for awards that relate to (but is not limited to) Club and best and fairest awards, goal kicking and like awards.

Non-cash benefits in the form of an award provided by a Club to Players up to a maximum value of \$300 per week per Club, and to a maximum of \$100 per week for any one Player of the Club, may be treated as not being a Player Payment and therefore not included in the calculation of the Club's Player Payments.

For the avoidance of doubt, any media, or League awards provided to a Player shall not be a Player Payment and is not included in the calculation of a Club's Player Payments.

### **Player Affiliation / Player Registration Fees / Player Insurance**

Any payment for player affiliation, player registration or insurance which the Club has agreed to pay under their arrangements with an affiliated League, Region Commission or AFL Victoria shall not be a Player Payment and is not included in the calculation of the Club's Player Payments.

Any additional insurance (including health and / or income insurance) obtained by a Club on a per team basis shall not be a Player Payment and is not included in the calculation of the Club's Player Payments.

Any health and / or income insurance paid by a Club or an Associate of a Club for and on behalf of an individual Player shall be a Player Payment which is included in the calculation of the Club's Player Payments.

Loss of income paid to a Player via an insurance policy obtained by the Club shall not be a Player Payment and is not included in the calculation of the Club's Player Payments.

### **Injury Payments / Medical Expenses / One Off Lump Sum Compassionate Payments**

A Club may apply to the Eastern Football League for a ruling under Rule 8(d) to approve the payment by a Club of:

- (a) injury payments;
- (b) the payment of medical expenses; or
- (c) a one-off lump sum payment via fundraising activities to be provided to a Player on compassionate grounds,

in respect of a Player, such that these payments are not a Player Payment and are not included in the calculation of the Club's Player Payments.

Any such applications must be made to the Eastern Football League before any payment is given or applied to the Player.

The Eastern Football League will consider any such application on a case-by-case basis.

### **Bonus Payments**

All incentive based payments to Players (including playing coaches) shall be treated as a Player Payment, and therefore included in the calculation of a Club's Player Payments. For example, a bonus payment to a Player associated with winning a grand final.

The arrangements for such payment should be detailed in both the Player Payments Budget / Final Declaration statements completed by the Club (see Rule 4(c) & (d)) and the Player Declaration completed by the Player (see Rule 4(a)).

### **Finals Appearances**

Clubs should be aware that any payments relating to finals appearances by Players will be Player Payments, and will be included in the calculation of the Club's Player Payments.

### **Travel and Accommodation**

Any cash or non-cash payments and benefits given or applied by or on behalf of a Club for travel expenses of a team nature, for example the hiring of a bus to travel to away games, in which the benefit is not received by a Player on an individual basis is not a Player Payment and is not included in the calculation of a Club's Player Payments.

Cash or non-cash payments and benefits given or applied to a Player in connection with their travel or accommodation costs associated with a Player's past, present or future services with a Club as a football player shall be treated as a Player Payment, and therefore are included in the calculation of the Club's Player Payments.

If a Club has any questions about whether its specific travel or accommodation arrangements may constitute a Player Payment it should contact the Eastern Football League. If necessary, a Club may also apply for a ruling under Rule 8(d) in relation to such payments.

### **Forms**

The Player Declaration, Budget / Final Declaration and Non Declared Payment Statement forms for 2018 are annexed as Attachments 1, 2 and 3 of this Guideline respectively.

### **Rulings**

Any ruling made by the Eastern Football League under Rule 8(d) shall be made on the basis of the information provided by the Club. Each such ruling shall be final and binding on the Club making the application for the ruling and shall apply to the particular circumstances of the application. Each ruling will have no precedential value and the Eastern Football League will make each ruling based on the information provided to it by the Club in respect of that application.

## **3. FOOTBALL COMPETITIONS**

3.1 All ERWFL divisions shall consist of a maximum of 25 players with a maximum of 18 players from one team being permitted on the field at any time during a quarter.

3.2 A team must consist of a minimum of 12 players before play can commence, and the evening up rules apply as per regulation 4.

### *3.3 Promotion and Relegation*

- a) The team winning the premiership in a division may be promoted to the next higher division.
- b) The team finishing on the bottom of the ladder in any division may be relegated to the next lower division.
- c) SEWF may decide not to promote a premiership team, or not to relegate a team that finished on the bottom of the ladder if it was deemed detrimental to the competition for that team to be promoted or relegated.

d) The promotion or relegation of a team that was not the premiership team or did not finish on the bottom of the division will be determined by SEWF in consultation with the club involved.

3.4 A club joining the League shall be entitled to participate only in the division determined by SEWF.

#### **4. Evening Up Rule**

4.1 ERWFL expects all team officials to understand and adhere to the 'spirit' of this rule, which is, the team that has the greater number of players available shall lend as many players as possible to equalize numbers with the other team so that all players available to participate in that match shall have the opportunity to play in as much of that match as possible. If both teams have full sides, an 18 a side game shall be played.

4.2 Where one team has between 12 and 18 players and the second team has more players than the first team, both teams shall field the same number of players, therefore an equal number of players shall take the field. Exceptions to this rule apply in certain circumstances – refer to 4.6.

4.3 If a team begins with less than 12 players the match will be forfeited, however a match must still occur as a scratch match.

4.4 If during a match, a team's playing numbers drop to below 12 players a forfeit will occur and the match must continue with an equal number of players on the field for both sides.

4.5 If players are not offered to the team with less than 18 players, then playing numbers must be reduced so that both teams field the same number of players. If players are offered, but not accepted, then the team with the greater number of players is not required to reduce playing numbers, i.e. the evening up rule does not apply.

4.6 If players are not offered, the team refusing to offer players will have their interchange bench capped at 3 players. The players on the field and the 3 interchange are the only players permitted to participate in the match.

4.7 Team Managers, particularly from the Team that requires the evening-up rule to apply, must ensure that the process is organized as early as possible and prior to the teams taking the field.

4.8 Late Arrivals - Should a player arrive late, that player may take the field at any time provided the following procedure is adhered to:

- a) The Team Manager shall inform the Officials of the other Team.
- b) The opposition team is to be informed when the players are ready to take the field that the playing numbers of each side are to be increased.
- c) Addition to the playing numbers on the field can only be made providing the numbers on the field remain equal for both teams.
- d) Any head count to be performed inline with the ERWFL By-Laws.

4.9 Loss of players during the match due to injury or illness - Should a player be removed from the field due to injury or illness and the team has no interchange players, as soon as practicable but no later than at the next quarter break teams should even the playing numbers. In this circumstance a player should be offered to the opposition to top up, if the team has players on the interchange or a player can be removed and guideline 4.6 does not apply.

4.10 Daily loan of players - When players are loaned, the Team Manager of both teams shall note on the Team Sheet the number of players loaned. Players may be loaned on a quarter by quarter rotating basis or for the whole match as appropriate.

4.11 Any dispute regarding this rule will be referred to ERWFL who will determine penalties, if any, to be applied. Penalties may include loss of premiership points and/or score by the offending team and/or the Club of the offending team shall be penalized as ERWFL deems fit.

4.12 The Evening up Rule is not to be applied in Finals.

4.13 Where a player is ordered off the field by the Field Umpire and there is no replacement available. There is no requirement to even-up the playing numbers on the field.

## 5. FORFEITS

5.1 Should any Member Club not be ready to start a match within twenty (20) minutes of the appointed starting time, the opposition Member Club will be deemed to have won the match.

5.2 Should a Member Club be aware in the week prior to a match that it will be unable to participate in the match, it must give written notice of such inability to the secretary of the opposing Member Club and the General Manager - Operations by the business day prior to the date fixed for the match.

5.3 A Member Club failing to field a team with a minimum of twelve (12) Players within twenty (20) minutes of the appointed starting time of the match shall automatically forfeit the match at that point in time.

5.4 If, during the course of a match a Member Club's team is reduced to less than 12 Players the match shall be forfeited as a consequence and the team sheets shall immediately be signed on the ground by the two Team Managers in the presence of the Field Umpire, who shall endorse the team sheets with his signature, date and time. The Field Umpire shall forward the team sheets to the League office in the usual manner, marked to the attention of the General Manager - Operations.

5.5 Any Member Club failing to fulfil its obligation shall:

5.6 Aside from failing to fulfil its obligation, a Member Club may also forfeit a match if:

- a) When required by the CEO, it fails to give notice of a suitable replacement venue for a match to the CEO and the opposing Club by 5.00pm on the Thursday preceding the date of the scheduled match.**
- b) it refuses to play when so ordered by the Field Umpire unless either both team captains have agreed that the playing arena is unsuitable for play, in which event contact must be made with the General Manager - Operations or, if the match is a Finals match, the CEO has determined that the playing arena is unsuitable for play.**

5.7 The CEO will review the reasons for the Member Club not fulfilling its obligation and, if he/she thinks necessary, may impose a penalty allowed by these By-Laws.

5.8 Where no result has been achieved in a match, the team of the Member Club not responsible for such a result shall be awarded a forfeit.

5.9 Where a Member Club receives a forfeit, it shall be entitled to lodge an official team sheet for the match in question, whereupon the Players named on the list will be recorded as having played in the round, provided that the team sheet is lodged with the General Manager - Operations on the next business day.
