

### **Doncaster Football Club**

The Doncaster Football Club competes in the Premier Division of the Eastern Football League and is seeking the services of Physiotherapist for Saturday afternoon match days and Monday evening rehab sessions throughout the 2020 season.

The successful candidate will:

- Provide assistance to playing group with game day injury management.
  - Develop and manage player rehabilitation plans.
- Work closely with Coaching panel and Strength & Condition Coach on player management.

Previous experience working within a team sport environment is desired, but not essential.

Please forward any inquiries to:

Mick Gillin – Football Operations Manager – Doncaster Football Club
