Significant Contribution

For the purpose of determining 'significant contribution' the review committee may consider one of more of the following, or similar contributions:

- a. Number of years as a sports trainer with the EFL/EFNL
- b. Held related leadership role(s) at club for example head trainer, junior trainer coordinator
- c. Contribution to EFL/EFNL development such as interleague and representative
- d. Contribution to the Association as committee member or office holder
- e. Feedback from peers on reliability, professionalism, and character
- f. Self improvement through training, courses or qualifications
- g. Improvement of others organizing, delivering training courses or qualifications
- h. Other information considered relevant to the nomination

Significant Contribution: Please describe the nominee's significant contribution in support of the life membership nomination. (The suggestions above may provide some guidance)
