ADVANCED CERTIFICATE

IDENTIFYING & DEVELOPING YOUNG AFL TALENT

Overview

The Advanced Certificate – Identifying and Developing Young AFL Talent is a half day course that will help coaches, club officials, teachers and parents of U12 – U18 male or female footballers to understand what AFL Clubs look for when identifying talent. The course will also provide a road map to help develop young talent to give your athletes the best chance possible of becoming an AFL or AFLW listed player in the future.

- A Recruiting Mindset
- Development of Adolescents
- Growth Mindset
- Common Assessment Errors
- Assessing Talent
- Keys to Developing Junior Talent

Presenter—Simon Dalrymple

Simon Dalrymple has been an AFL Recruiting Manager for 12 years. Simon currently works with Sydney Swans and has also been a Development Coach for the Western Bulldogs. His time as the Development Manager at the Northern Knights in the TAC Cup combined with a long history in education and coaching makes Simon the ideal person to help athletes and coaches learn about how AFL recruiters identify young talent and how you can go about developing the young talent at your Club to give them the best chance of being recruited.

Format

The Centre for Athlete and Sports Education courses are delivered via Live Zoom Workshops plus Pre and Post Course Online Activities in our Learning Management System to provide a rich educational experience that can be accessed from any location at any time.
