

SENIOR MENS ASSISTANT COACH POSITION 2023

MENS DEVELOPMENT SQUAD/RESERVES COACH 2023

THE WHITEHORSE PIONEERS FOOTBALL & NETBALL CLUB, AFFILIATED WITH THE EASTERN FOOTBALL & NETBALL LEAGUE, SEEKS SUITABLE APPLICANTS FOR OUR COACHING POSITION FOR SEASON 2023

We are a long-established Club approaching our 70th year that is deeply rooted within the community and draw from that heritage to provide a welcoming environment for men and women to play Australian rules football. The Club is a mosaic of all abilities but has a focus to success in an inclusive, positive environment that will retain players, encourage new players and create a pathway to those from the Junior program also located at Springfield Park.

We have two opportunities available, being:

1. Senior Assistant Coach

The position is to support our senior coach Andrew Haining with the role, subject to experience be over-arching or line coaching together with skill development. What makes this role unique compared to other assistant positions is that Andrew is a playing coach and therefore your role will be more hands-on and responsible. This position offers the opportunity to more fully exploit your existing skill set and exponentially enhance your own experience and development.

2. Development Squad/Reserves Coach

Our development squad is a young cohort of players that are eager and willing to learn and further develop. They aspire to be successful as a team but equally set themselves goals to be regular participants in the senior squad on Saturdays.

In our view this is a squad ready to take to a higher level having finished in the Division 3 Preliminary Final in 2022.

As Coach you will be given every support with our continuing assistant coaches and team manager.

Applicants must have good communication skills, be professional in behaviours and continue to foster a positive Club image amongst our localised community and broader football community.

Applications will be accepted in writing and are to be directed to

whitehorsepioneers@efnl.org.au or if you wish to make an initial enquiry, contact Alan Bertacco (president) at 0414 366 827 or senior coach Andrew Haining 0432 739 308.
